

Triple Bottom Line (TBL) Assessment Summary

The Triple Bottom Line Assessment is required to be published in accordance with Part 4, section 23 (1)(b) of the Freedom of Information Act 2016

19/775 - ACT Government Submission to the Independent Review of the *Environment Protection and Biodiversity Conservation Act 1999* (Commonwealth)

Summary of impacts:

- The overall impact of providing a submission to the Commonwealth review is neutral.
- The impact of any changes to be made by the Commonwealth are out of scope and unable to be determined until such an announcement has been made.

Level of impact	Positive	Negative	Neutral
-----------------	----------	----------	---------

Social		
Level of impact	Impact	Summary
Neutral	Housing and Affordable housing	No expected impacts, however any changes made by the Commonwealth to the EPBC Act will have an impact on housing and affordable housing, particularly if processing times for applications and duplicate processes are reduced.
Neutral	Aboriginal and Torres Strait Islander	No expected impacts, however any additional requirements to increase engagement and consultation with Aboriginal and Torres Strait Islander peoples as part of the EPBC process, offset land management and Indigenous heritage matters will likely have a positive impact for the local Indigenous community in the ACT.
