

Triple Bottom Line (TBL) Assessment Summary

The Triple Bottom Line Assessment is required to be published in accordance with Part 4, section 23 (1)(b) of the Freedom of Information Act 2016

20/263: Government Response on the Standing Committee on Health, Ageing and Community Services Committee Interim Report on Child and Youth Protection Services (Part 1)

Summary of impacts:

- Actions undertaken in-line with the Government Response will ensure CYPS continues to evolve to respond and support children and young people in the ACT who are subject to abuse and neglect by their parents.

Level of impact

Positive

Negative

Neutral

Social

Level of impact	Impact	Summary
Positive	Aboriginal and Torres Strait Islander	The Government response reinforces its commitment to embed restorative practices across the child protection system by implementing recommendations made by <i>Our Booris, Our Way</i> to help keep Aboriginal and Torres Strait Islander families together. This is achieved through ongoing support of Family Group Conferencing, Functional Family Therapy program and embedding the Aboriginal and Torres Strait Islander Child Placement Principle into policy and procedures.
Positive	Impacts on different age groups	The Government Response has been prepared with careful consideration of the strong legal and policy context with regard to the safety and wellbeing of children and young people in the ACT. The Government Response references work that will be undertaken to continue to support staff in the identification and assessment of cumulative harm through ongoing training.
