FREEDOM OF INFORMATION REQUEST

I refer to your application under section 30 of the *Freedom of Information Act 2016* (the Act), received by the Chief Minister, Treasury and Economic Development Directorate (CMTEDD) on 16 June 2022, in which you sought access to:

The subject line of all final ministerial briefs from 10th of April 2022 to 10th of May 2022 generated for or directed to any ACT Government Minister.

Authority

I am an Information Officer appointed by the Director-General under section 18 of the Act to deal with access applications made under Part 5 of the Act.

Timeframes

In accordance with section 40 of the Act, CMTEDD was required to provide a decision on your access application by 14 July 2022. However, on 1 July 2022 a 20-working day extension was requested from your office due to staff movement and unexpected personal leave. This resulted in a revised due date of 11 August 2022.

Decision on access

Searches were completed for relevant information and 206 subject lines were identified that fall within the scope of your request.

I have decided to grant access in full to 153 subject lines. I have decided to refuse access to 53 subject lines as I consider the information to be contrary to the public interest under Schedule 1 and 2.

My access decisions are detailed further in the following statement of reasons, in accordance with section 54(2) of the Act, and the documents released to you are provided as an attachment to this letter.

Statement of Reasons

In reaching my access decisions, I have taken the following into account:

- the Act
- the information that falls within the scope of your request

Exemption claimed

My reasons for deciding not to grant access to the identified documents and components of these documents are as follows:

Contrary to the public interest information under schedule 1 of the Act

Fifty of the subject lines identified contain information that is considered to be contrary to the public interest under Schedule 1 of the Act. Information that falls under the exemptions in Schedule 1 is not subject to the public interest test as detailed in section 17 of the Act.

One of the subject lines has been identified as information the disclosure of which is taken to be contrary to the public interest under Schedule 1 section 1.14(f)&(g) prejudice the effectiveness of a lawful method or procedure for preventing, detecting, investigating or dealing with a contravention or possible contravention of the law, and prejudice the maintenance or enforcement of a lawful method or procedure for protecting public safety.

One of the subject lines has been identified as information the disclosure of which is taken to be contrary to the public interest under Schedule 1 section 1.14 (a) as it could prejudice the investigation of a contravention or possible contravention of the law in a particular case.

One of the subject lines has been identified as information the disclosure of which is taken to be contrary to the public interest under Schedule 1 section 1.2 as it is Information that would be privileged from production or admission into evidence in a legal proceeding on the ground of legal professional privilege.

One of the subject lines has been identified as information the disclosure of which is taken to be contrary to the public interest under Schedule 1 section 1.4 as it is Information the disclosure of which would involve the unreasonable disclosure of sensitive information about any individual (including a deceased person).

Forty-six of the subject lines have been identified as information the disclosure of which would reveal deliberations of Cabinet. Under section 1.6(1)(a) information that has been submitted, or that a Minister proposes to submit, to Cabinet for its consideration and that was brought into existence for that purpose and section 1.6(1)(d) information the disclosure of which would reveal any deliberation of Cabinet (other than through the official publication of a Cabinet decision) of Schedule 1 of the Act, is considered Cabinet information and is exempt from release. The purpose of this exemption is to maintain the confidentiality of the Cabinet process and to uphold the principle of collective ministerial responsibility.

This exemption was discussed in *The Commonwealth v Northern Land Council* [1993] HCA 24; (1993) 176 CLR 604 (21 April 1993). Paragraph 6 of the decision, states that:

... it has never been doubted that it is in the public interest that the deliberations of Cabinet should remain confidential in order that the members of Cabinet may

exchange differing views and at the same time maintain the principle of collective responsibility for any decision which may be made.

The information that you have requested falls within Schedule 1, section 1.6 of the Act as it is information which has been brought into existence to guide Cabinet it in its decision making and assist it in its deliberations, and the disclosure of which would reveal those deliberations. It is therefore exempt from release under the Act.

Contrary to the public interest information under schedule 2 of the Act

While the majority of subject lines are to be released in full, three subject lines have identified factors for disclosure and nondisclosure, and therefore are required to be subject to the public interest test as set out in section 17 of the Act.

Taking into consideration the information contained in the subject lines, I have identified that the following public interest factors are relevant to determine if release of the information contained within these subject lines is within the 'public interest':

- Promote open discussion of public affairs and enhance the government's accountability (s 2.1(a)(i) of Schedule 2)
- Contribute to the positive and informed debate on important issues or matters of public interest (s 2.1(a)(ii) of Schedule 2)

I consider that disclosing the contents of the information sought could contribute to open discussion and informed debate on the matters contained in the subject lines. I am satisfied there may be a public interest, however, I weight these factors lightly as release of single subject lines may not reasonably contribute to informed debate.

As required in the public interest test set out in section 17 of the Act, I have also identified the following public interest factors in favour of nondisclosure that I believe are relevant to determine if release of the subject lines is within the 'public interest'.

- Prejudice intergovernmental relations (s2.2 (a)(x) of Schedule 2)
- Prejudice the competitive commercial activities of an agency (s2.2 (a)(xiii) of Schedule 2)

One of the subject lines has been identified as information the disclosure of which could prejudice intergovernmental relations, and the other could prejudice competitive commercial activities of an agency.

I am satisfied that the release of the 53 subject lines is considered contrary to the public interest and are exempt from disclosure.

Charges

Processing charges are not applicable for this request because the number of pages being released to you is less than the charging threshold of 50.
