Dear 

Freedom of Information Request – Organisational Structure for the Chief Minister, Treasury and Economic Development Directorate

I am writing to acknowledge receipt of your request submitted under section 14 of the ACT *Freedom of Information Act 1989*, received by the Chief Minister, Treasury and Economic Development Directorate (CMTEDD) on 15 January 2016.

In your request you are specifically seeking the following:

“...an update to Organisational Structure for Chief Minister, Treasury and Economic Development Directorate. Including names for all positions manager and above.”

Decision Maker

I am authorised under section 22 of the Act and have been approved to make decisions on access to documents and liability for charges.

Charges

I have decided under section 29 of the Act not to impose processing charges for this request.

Identification of documents and decision on access

I have identified **four documents** that fall within the scope of your request, as detailed in the Schedule of Documents provided. These are the centrally maintained organisational charts available for executive position level for the Directorate and for the Chief Minister, Treasury and Economic Development streams of the Directorate. I have considered these four items and have decided to release all four, in full. For the purposes of this response, I have defined the term ‘manager’ within the ACT Government context to be at the director level.
