Dear [REDACTED]

FREEDOM OF INFORMATION REQUEST

I refer to your application under section 14 of the ACT *Freedom of Information Act* 1989 (the Act), received by the Directorate on 9 February 2015 in which you sought access to the following:

"All documents and any information held by the Directorate regarding contract 2014/1820-01... [including] ... correspondence regarding selection of the contractor, correspondence with the contractor and reports and accompanying information."

I am the officer authorised under section 22 of the Act to make a decision in relation to your request.

I have decided that some documents are to be fully released, some are to be partially released and determined that some documents are subject to the provisions set out in section 20(d) of the Act which deals with deferment of access.

The documents to be fully or partially released are those relating to the selection of the contractor. I have decided that access to the other information requested (the report prepared by the contractor) be deferred until after it has been presented to the Legislative Assembly. It is anticipated that this will occur in May 2015.

I have also assessed your request for information under the ACT Government's Online Freedom of Information Publication Policy and have determined that the documents relevant to your request which will be fully released, including your original application and this decision letter, **will** be published online.
