

19/370 Government Response to the ACT Auditor-General's Report No. 5/2019 - Management of the System-Wide Data Review Implementation Program

Summary of Impacts
Addressing the Auditor-General's recommendations will have an immediate impact on the work being undertaken by the ACT Health Directorate to deliver the outcomes of the System-Wide Data Review and strengthen the continuous improvement of data quality, analysis and reporting about the ACT public health system.

Key to impacts: Red – negative, Blue – neutral, Green – positive.

Social

Justice and rights	Addressing the Auditor-General's recommendations will improve the delivery of the outcomes of the System-Wide Data Review, which will result in improved data quality, performance reporting, analysis and insights. This will support more mature health service planning and delivery, and better position the ACT Health Directorate to deliver the Digital Health Record for the ACT community.
