

Triple Bottom Line (TBL) Assessment Summary

The Triple Bottom Line Assessment is required to be published in accordance with Part 4, section 23 (1)(b) of the Freedom of Information Act 2016

20/031 SPIRE Project: EOI Evaluation Outcome and Shortlisting Recommendation

Summary of impacts:

- The project has the potential to provide a range of economic, social and environmental benefits for the ACT community, ACT Health and the Canberra Health Service, the Territory Government, and the local districts of regional NSW.
- SPIRE has the potential to generate significant social and economic benefits to the Territory, through the anticipated improvement in health outcomes for the local community, as well as the stimulation of economic activity due to SPIRE Construction.

Level of impact	Positive	Negative	Neutral
-----------------	----------	----------	---------

Social

Level of impact	Impact	Summary
Neutral	Gender equality	<ul style="list-style-type: none"> • The EOI evaluation and shortlisting recommendation has no effect on gender equality.
Positive	Health (community and mental health)	<ul style="list-style-type: none"> • The SPIRE Project will support the provision of a better patient experience via a new facility at the Canberra Hospital. The EOI evaluation brings the ACT Government one step closer to procuring a delivery partner.
Positive	Access to services	<ul style="list-style-type: none"> • SPIRE will allow patients to have access to new fit for purpose facilities, combined with enhanced models of care intended to deliver more person-centric care. SPIRE's intended redesigned system to separate planned and unplanned surgeries, as well as its additional operating theatres to be provided will contribute to reduced patient waiting times and assist in the minimisation of elective surgery cancellations

Economic

Neutral	ACT Government Budget	<ul style="list-style-type: none"> • Exact capital and operational costs for the SPIRE Project will not be known until entry into the main works contract for delivery.
Positive	Productivity	<ul style="list-style-type: none"> • Over the construction period the SPIRE Project will grow the Territory's economy and provide a direct investment in the construction industry.

Positive	Employment and labour force	<ul style="list-style-type: none">• Over the construction period the SPIRE Project will support additional jobs.• The new facility will improve working conditions for staff at the Canberra Hospital.
-----------------	-----------------------------	---

Environmental	Nil impact.
