

ACT Summary of Cabinet Outcomes Government Week commencing 16 April 2012

As part of the ACT Government's Open Government commitment, this document is a public summary of matters considered by Cabinet. It is not intended to be a detailed set of minutes and does not cover all matters considered by Cabinet. Among matters not covered are materials considered in the formation of the ACT budget, commercial and industrial matters under negotiation, as well as matters that would impact personal privacy, security and the ACT economy. Nothing in this document can be considered a waiver of the Government's executive privilege.

Committees of Cabinet

A meeting of the Budget Committee of Cabinet was held. Treasury officials joined with Ministers to discuss matters of fiscal significance.

ACT Emergency Plan 2012

Cabinet agreed the revised ACT Emergency Plan 2012. The Revised Plan has been developed in consultation with all ACT Government. The Plan was informed in part by lessons learned following the Queensland floods in late 2010 early 2011 and findings of the Victorian Bushfire Royal Commission, along with local emergency events. The ACT Emergency Plan is available at: <http://esa.act.gov.au/emergency-management/emergency-arrangements/>

Climate Change Vulnerability Assessment Framework for Infrastructure

Cabinet agreed to release for public comment the *Climate Change Vulnerability Assessment Framework* Discussion Paper. This Discussion Paper, available at: <http://www.cmd.act.gov.au/policystrategic/sustainability> proposes a framework for assessing the vulnerability of ACT infrastructure to climate change. The framework is intended to provide Government with a diagnostic tool to assist in considering climate change and its impacts during the planning, development, renewal, maintenance and management of public infrastructure.
