Your File No:

Dear

I refer to your application under the *Freedom of Information Act 1989* (FOI Act), received by the Commerce and Works Directorate, following transfer from the Territory and Municipal Directorate on 12 March 2013, in which you requested the following documents:

" copies of additional documents held by the TAMS Directorate related to the work undertaken on Flemington Rd, Harrison during November 2012. Specificallyrelevant documents for the period 20 November 2012 (date after my last request) to 4 March 2013."

As you are aware, I withheld folios 16 – 27 from file 10/7366 following third party consultation. This was as a result of, as previously indicated, a third party raising concerns in relation to the release of these documents.

Advice was provided to you, on 27 May 2013, that these documents could not be released to you until the time had expired for the third party to appeal, or if the third party did appeal, until the appeal had been dealt with in the Tribunal.

As no such appeal has been lodged with the Tribunal I am now authorised to provide you with the following documents which relate to work undertaken on Flemington Rd, Harrison (20 November 2012 to 4 March 2013), which you refer to in your request:

- from file 10/7366 Flemington Road Duplication – 2008.0356 folios 16 – 27 (less those folios released under FOI) are fully released.

Please find enclosed the folio schedule and copies of the fully released documents not previously provided to you.
