### 32 Exemptions do not limit each other

A provision of this part under which documents referred to in the provision are exempt documents—

- (a) shall not be construed as limited in its scope or operation in any way by any other provision of this part under which documents are exempt documents; and
- (b) shall not be construed as not applying to a particular document because another provision of this part of a kind mentioned in paragraph (a) also applies to that document.

### 35 Executive documents

(1) A document is an exempt document if it is—

- (a) a document that has been submitted to the Executive for its consideration or is proposed by a Minister to be so submitted, being a document that was brought into existence for the purpose of submission for consideration by the Executive; or
- (b) an official record of the Executive; or
- (c) a document that is a copy of, or of a part of, or contains an extract from, a document referred to in paragraph (a) or (b); or
- (d) a document the disclosure of which would involve the disclosure of any deliberation or decision of the Executive, other than a document by which a decision of the Executive was officially published.

*Note* Access to the Cabinet notebook is excluded under s 11 (2).

## **36 Internal working documents**

- (1) Subject to this section, a document is an exempt document if its disclosure under this Act—
  - (a) would disclose matter in the nature of, or relating to, opinion, advice or recommendation obtained, prepared or recorded, or consultation or deliberation that has taken place, in the course of, or for the purposes of, the deliberative processes involved in the functions of an agency or Minister or of the Territory; and
  - (b) would be contrary to the public interest.
- (2) In the case of a document of the kind referred to in section 8 (1), the matter referred to in subsection (1) (a) of this section does not include matter that is used or to be used for the purpose of the making of decisions or recommendations referred to in section 8 (1).
- (3) This section does not apply to a document only because of purely factual material contained in the document.
- (4) This section does not apply to—
  - (a) reports (including reports concerning the results of studies, surveys or tests) of scientific or technical experts, whether employed within an agency or not, including reports expressing the opinions of such experts on scientific or technical matters; or
  - (b) reports of a prescribed body or organisation established within an agency; or
  - (c) the record of, or a formal statement of the reasons for, a final decision given in the exercise of a power or of an adjudicative function.
