Corner points correspond to the locations shown in map 2207526A_GIS_029_A1
All points are not labeled in the map due to size restrictions,
but all points are included in this table.

Corner points correspond to the locations shown in map 2207526A_GIS_029_A1
All points are not labeled in the map due to size restrictions,
but all points are included in this table.

Corner points correspond to the locations shown in map 2207526A_GIS_029_A1
All points are not labeled in the map due to size restrictions,
but all points are included in this table.
