Exempt documents

Note For the exemption of documents in the possession of the housing commissioner containing protected information within the meaning of the *Housing Assistance Act 2007*, pt 5, see that Act, s 29.

32 Exemptions do not limit each other

A provision of this part under which documents referred to in the provision are exempt documents—

- (a) shall not be construed as limited in its scope or operation in any way by any other provision of this part under which documents are exempt documents; and
- (b) shall not be construed as not applying to a particular document because another provision of this part of a kind mentioned in paragraph (a) also applies to that document.

35 Executive documents

(1) A document is an exempt document if it is—

- (a) a document that has been submitted to the Executive for its consideration or is proposed by a Minister to be so submitted, being a document that was brought into existence for the purpose of submission for consideration by the Executive; or
- (b) an official record of the Executive; or
- (c) a document that is a copy of, or of a part of, or contains an extract from, a document referred to in paragraph (a) or (b); or
- (d) a document the disclosure of which would involve the disclosure of any deliberation or decision of the Executive, other than a document by which a decision of the Executive was officially published.

Note Access to the Cabinet notebook is excluded under s 11 (2).

(2) This section does not apply to a document (a *relevant document*)—

- (a) that is referred to in subsection (1) (a); or
- (b) that is referred to in subsection (1) (b) or (c) and is a copy of, or of part of, or contains an extract from, a document that is referred to in subsection (1) (a);

to the extent that the relevant document contains purely factual material unless—

- (c) the disclosure under this Act of that document would involve the disclosure of any deliberation or decision of the Executive; and

- (d) the fact of that deliberation or decision has not been officially published.
- (3) A reference in this section to the Executive includes a reference to a committee of the Executive.

41 Documents affecting personal privacy

- (1) A document is an exempt document if its disclosure under this Act would involve the unreasonable disclosure of personal information about any person (including a deceased person).
- (2) Subject to subsection (3), subsection (1) does not apply to a request by a person for access to a document only because of the inclusion in the document of matter relating to that person.

(3) Where—

- (a) a request is made to an agency or Minister for access to a document of the agency, or an official document of the Minister, that contains information of a medical or psychiatric nature concerning the person making the request; and
- (b) it appears to the principal officer of the agency, or to the Minister, as the case may be, that the disclosure of the information to that person might be prejudicial to the physical or mental health or wellbeing of that person;

the principal officer or Minister may direct that access to the document, so far as it contains that information, that would otherwise be given to that person is not to be given to that person but is to be given instead to a doctor to be nominated by that person.
