CORRIGENDUM

CHIEF MINISTER, TREASURY AND ECONOMIC DEVELOPMENT DIRECTORATE ANNUAL REPORT 2019-20

1. Volume 1 Page 50 Output 3.1 Innovation, Industry and Investment – Highlights

Due to an editorial error, the number of productions supported through the CBR Screen Fund in the 2019-20 period was incorrectly reported as seven. The correct number should be six.

Replace:

Delivered the CBR Screen Fund, providing funding support to seven productions with a total investment of \$559,000.

With:

Delivered the CBR Screen Fund, providing funding support to *six* productions with a total investment *commitment of \$559,000 following the assessment of seven applications*.

The online version of the *2019-20 Chief Minister, Treasury and Economic Development Annual Report* will be amended to correct this error.

2. Volume 1 Page 53 Output 3.2 Visit Canberra – Highlights

Due to an editorial error, the full detail of those who participated in tours arranged by Visit Canberra was not included. The reported total of 82 included journalists and also travel/trade agents from the listed countries.

Replace:

Arranged tours for 82 journalists throughout the year, from Singapore, Malaysia, China, the United Kingdom, NZ and India.

With:

Arranged tours for 82 journalists *and travel/trade agents* throughout the year, from Singapore, Malaysia, China, the United Kingdom, NZ and India.

The online version of the *2019-20 Chief Minister, Treasury and Economic Development Annual Report* will be amended to correct this error.

3. Volume 2.1 Page 156 Government Contracting

Due to an administrative error, a contract with the University of Technology Sydney for 'Provision of Consultant for Audit of ACT Valuation Methodology' was omitted from the list of notifiable contracts in the Government Contracting section. This contract is published on the online ACT Government Contracts Register and is detailed below.

Add:

Contract number	Contract title	Procurement methodology	Procurement type	Exemption from quotation and tender threshold requirements	Contractor name	Contract amount (\$)	Execution date	Expiry date
CM20/689	Provision of Consultant for Audit of ACT Valuation Methodology	quotation	Services	No	University of Technology Sydney	38,960	06/04/2020	30/06/2020

The online version of the *2019-20 Chief Minister, Treasury and Economic Development Annual Report* will be updated to add this missing contract.

4. Volume 2.1 Page 176 Statement of Performance – Output 3.1: Innovation, Industry and Investment, Explanation of accountability indicators b(vi)

Due to an editorial error, the number of productions supported through the CBR Screen Fund in the 2019-20 period was incorrectly reported as five. As noted above at (1), the correct number should be six.

Replace:

During the year CBR Screen Fund supported five screen productions with a total investment of \$337,000.

With:

During the year CBR Screen Fund supported **six** screen productions with a total investment **commitment of \$559,000**.

The online version of the *2019-20 Chief Minister, Treasury and Economic Development Annual Report* will be amended to correct this error.
