Dear 

FREEDOM OF INFORMATION REQUEST

I write in response to the ongoing correspondence between yourself and this office regarding your request for access to the Office of Regulatory Services (ORS) documents under the *Freedom of Information Act 1989* (the Act).

In your application, you sought access to documents regarding the Cupping Room.

In particular, you sought access to:

“...Any documents associated with the restaurant being built on the ground floor of this building Empire Chambers 1-13 University Avenue Canberra City. The restaurant is called The Cupping Room and fronts London Circuit as well as University Avenue. Is there any details regarding the development application and liquor licensing etc...”

On 11 December 2013 you indicated in an email to the ORS that you require only the bare essentials of the licenses.

I am the officer authorised under section 22 of the Act to make a decision in relation to your request.

On 16 December 2013, the ORS wrote to you informing you that the documents relevant to your request were subject to third party consultation processes in accordance with section 27 and section 27A of the Act. Submissions regarding the release of these documents have since been received.

I have decided to partially release these documents to you, with exemptions, in accordance with section 41(1) and section 43(1) of the Act. Please see the attached schedule detailing the documents being released to you.

Section 41(1) of the Act details that information may be exempt from release if its disclosure under the Act would unreasonably release personal information.

Section 43(1) of the Act details that information may be exempt from release if its disclosure under the Act would unreasonably affect business affairs.

I have also assessed your request for information under the ACT Government's Online Freedom of Information Publication Policy and have determined that the documents relevant to your request, not including your original application, **will** be published online.
