Dear [REDACTED]

## **FREEDOM OF INFORMATION REQUEST**

I write in response to your request for access under the *Freedom of Information Act 1989* (the Act) to documents held by Access Canberra. In your letter you advised that you are acting on behalf of [REDACTED]

In your letter, you sought access to CCTV/video footage of all motor vehicle accidents at the intersection of Hindmarsh Drive and Canberra Avenue, Symonston that occurred on 5 May 2015.

I am the officer authorised under section 22 of the Act to make a decision in relation to your request.

The ACT Traffic Camera Office has advised that there is only one camera at this intersection capable of recording video images. Two video files have been identified that indicate that a traffic incident had occurred, but did not record the accident itself.

I have decided that the footage is to be fully released to you. Please see the attached schedule detailing what will be released to you.

I have also assessed your request for information under the ACT Government's Online Freedom of Information Publication Policy and have determined that the documents relevant to your request, not including your original application **will** be published online.
