(24/11/2014 06:51 PM)

The shrubs and trees on the properties at WESTON ACT 2611
and WESTON ACT 2611 are overgrowing the easement
footpath between and WESTON.

By overgrowing the footpath the shrubs and trees are impeding foot and bicycle traffic, creating inconvenience and potential hazard.

Please arrange for the shrubs and trees to be removed or pruned to ensure the overgrowing does not reoccur within two to three years.
