SAFEGUARDING CHILDREN IS EVERYONE'S RESPONSIBILITY

THE REPORTABLE
CONDUCT SCHEME
COMMENCES
1 JULY 2017

This scheme affects
you and here's what
you need to know:

- 1** The scheme strengthens our existing child protection schemes in the ACT.
- 2** It does not replace any of your current mechanisms for reporting allegations of misconduct or mandatory reporting.
- 3** It affects you at work and out of work. Talk to your supervisor or HR about how this affects your current practices, or visit ombudsman.act.gov.au for more resources.
