Dear Sir/Madam,

**Request for documents under the Freedom of Information Act 1989**

I write to request documents and any information held by the Environment, Planning and Sustainable Development Directorate in its entirety and the Office of the Environment, Planning and Sustainable Development Directorate relating to negotiations with the Commonwealth pertaining to Lake Burley Griffin reclamations, this includes information relating to the methodologies undertaken to evaluate the lake bed.

I make this request pursuant to section 14 of the Freedom of Information Act 1989 (the Act).

I ask that any fees and charges associated with this request be waived pursuant to sections 29 and 30 of the Act. I do so on the basis that it is in the public interest that I be given access to these documents and that there has been a long-standing convention, both at a Commonwealth, State and Territory level that members of parliament are not to be charged for access to documents requested under FOI legislation.

Should you require any further information or clarification about my request please contact my office on [REDACTED]

Yours sincerely,
