

Freedom of Information Request – Federal Golf Course development

I refer to your application under section 14 of the *Freedom of Information Act 1989* (the Act), received by the Environment and Planning Directorate (EPD) on 2 November 2015, in which you requested the following documents:

"All documents relating to proposals to establish residential development on the Federal Golf Course, Block 56 Hughes-Garran, Division of Red Hill, including all correspondence, emails, meeting notes, briefings, Ministerial correspondence, letters and telephone notes since June 2014, particularly correspondence dealing with development, change of lease or territory plan matters."

I am an officer authorised to make a decision in respect of a request for information, under section 22 of the Act.

Schedule detailing decisions

Please refer to the attached schedule that lists decisions regarding access to all documents, which have been identified as relevant to your request. The terms used on the schedule are either 'Release', 'Partial release' or 'Exempt'. Where an exemption is made, a reference will be made on the schedule to the relevant section or combinations of sections of legislation that apply to the decision.

Duplicate documents are listed on the schedules, however where possible I have included only one copy with the released documents.

Decision

The Directorate has identified 44 documents in its possession that meet the scope of your request, as identified in the schedule attached to this letter.

Under the Act, documents may be partially exempt/exempt or provided to applicants with deletions and I have decided to exempt some documents under sections 41 (Documents relating to personal privacy) and 43 (Documents relating to business affairs)).

Access to documents not to apply to certain documents:

Personal Privacy

Section 41 of the Act provides:

1. *a document is an exempt document if its disclosure under this Act would involve the unreasonable disclosure of personal information about any person (including a deceased person).*

Business affairs

Section 43 of the Act provides:

1. *a document is an exempt document if its disclosure under this Act would disclose—*

- (a) trade secrets; or*
- (b) any other information having a commercial value that would be, or could reasonably be expected to be, destroyed or diminished if the information were disclosed; or*
- (c) information (other than trade secrets or information to which paragraph (b) applies) concerning a person in respect of his or her business or professional affairs or concerning the business, commercial or financial affairs of an organisation or undertaking, being information—*
 - (i) the disclosure of which would, or could reasonably be expected to, unreasonably affect that person adversely in respect of his or her lawful business or professional affairs or that organisation or undertaking in respect of its lawful business, commercial or financial affairs; or*
 - (ii) the disclosure of which under this Act could reasonably be expected to prejudice the future supply of information to the Territory or an agency for the purpose of the administration of a law or the administration of matters administered by an agency.*

Some documents contain the information regarding business transactions conducted by various businesses with the ACT. Some information, if release, may impact on their business affairs.
