Dear [REDACTED]

FREEDOM OF INFORMATION REQUEST

I refer to your application under section 30 of the *Freedom of Information Act 2016* (the Act), received by the Chief Minister, Treasury and Economic Development Directorate (CMTEDD) on 21 June 2018, in which you sought access to copies of the Financial Guarantees given by the Government to the all large scale generators granted entitlements under the Feed-In Tariff program.

Authority

I am an Information Officer appointed by the Director-General under section 18 of the Act to deal with access applications made under Part 5 of the Act.

Timeframes

In accordance with section 40 of the Act, CMTEDD is required to provide a decision on your access application by 19 July 2018.

Decision on access

I have decided to refuse to deal with your application in accordance with subsection 43(1)(d) of the Act which allows me to refuse to deal with an application for government information if that information is already available to the applicant as outlined in section 45(b) of the Act.

A search of all CMTEDD records has resulted in confirmation from the relevant business area advising that the documents you are seeking access to regarding the financial guarantees given by the Government to all large scale generators granted entitlements under the Feed-In Tariff program have been tabled in the ACT Legislative Assembly and are available to you in accordance with standing order 212.

212 - Papers and documents may be inspected and copied *"All papers and documents presented to the Assembly and not authorised for publication may be made available to Members and, with the permission of the Speaker, may be inspected by other persons or copies may be made unless otherwise ordered"*.

Charges

Processing charges are not applicable for this request.

Online publishing – Disclosure Log

Under section 28 of the Act, CMTEDD maintains an online record of access applications called a disclosure log.
