Dear [REDACTED]

### **FREEDOM OF INFORMATION REQUEST**

I refer to your application under section 30 of the *Freedom of Information Act 2016* (the Act), received by the Chief Minister, Treasury and Economic Development Directorate (CMTEDD) on 28 March 2019.

Specifically, you are seeking: "All documents relevant to ACT Long Service Leave Authorities requirement for national peak not-for-profit organisations operating in ACT to be registered and make payments by way of a levy to the ACT Portable Long Service Community Sector Scheme (the Scheme). In particular we are seeking any documentation identifying organisations the Authority has identified that are not currently part of the scheme but could be brought into the scheme in the future."

#### **Authority**

I am an Information Officer appointed by the Director-General under section 18 of the Act to deal with access applications made under Part 5 of the Act. I have been appointed under section 22 of the Act to deal with your access application on behalf of the ACT Long Service Leave Authority (the Authority).

#### **Timeframes**

In accordance with section 40 of the Act, CMTEDD is required to provide a decision on your access application by 30 April 2019.

#### **Decision on access**

Searches were completed for relevant documents and 27 documents were identified that fall within the scope of your request.

I have included as **Attachment A** to this decision the schedule of relevant documents. This provides a description of each document that falls within the scope of your request and the access decision for each of those documents.

I have decided to grant access in full to five documents (out of scope information removed) relevant to your request, partial access to one document (publicly available form attached to an email) and exempt the remaining 21 documents as I consider them to be contrary to the public interest information under schedule 1.

My access decisions are detailed further in the following statement of reasons and the documents released to you are provided as **Attachment B** to this letter.

### **Material considered**

In reaching my access decision, I have taken the following into account:

- the Act;
- the content of the documents that fall within the scope of your request.

My reasons for deciding not to grant access to the identified documents and components of these documents are as follows:

### **Information contrary to the public interest under schedule 1 of the Act**

Folios 1-6,27,11-15 and 18-26 of the identified documents are entirely composed of, or contain information that is considered to be contrary to the public interest under schedule 1 of the Act.

#### Section 1.1A Information in Possession of a Court or Tribunal

Folios 1-6, 9, 11-12, 14-15 and 18-26 contain information in relation to a matter being heard by the Supreme Court on 16 May 2019. Contained within these folios are letters between the parties and correspondence between solicitors. I am advised this information is currently in possession of the Supreme Court as part of the 16 May 2019 hearing. Accordingly, I am satisfied this information is contrary to the public interest pursuant to schedule 1 section 1.1A of the Act and will not be released at this time.

#### Section 1.2 Information subject to Legal Professional Privilege

Folio 13 contains advice provided by the ACT Government Solicitor Office. I consider the advice is subject to legal professional privilege as it was brought into existence for the dominant purpose of providing a legal opinion. I am satisfied that the communications were made in circumstances of confidentiality and were provided by an independent legal adviser satisfying the requirements to attract legal professional privilege. Accordingly, I am satisfied this information is contrary to the public interest pursuant to schedule 1 section 1.2 of the Act.

### **Charges**

Pursuant to *Freedom of Information (Fees) Determination 2017 (No 2)* processing charges are not applicable for this request because the total number of pages to be released to you is below the charging threshold of 50 pages.

### **Online publishing – Disclosure Log**

Under section 28 of the Act, CMTEDD maintains an online record of access applications called a disclosure log. Your original access application, my decision and documents released to you in response to your access application will be published in the CMTEDD disclosure log three days after the date of my decision. Your personal contact details will not be published.

You may view CMTEDD disclosure log at  
<https://www.cmtedd.act.gov.au/functions/foi/disclosure-log>.

### **Ombudsman Review**

My decision on your access request is a reviewable decision as identified in Schedule 3 of the Act. You have the right to seek Ombudsman review of this outcome under section 73 of the Act within 20 working days from the day that my decision is published in CMTEDD disclosure log, or a longer period allowed by the Ombudsman.

**RE: Mental Health Australia – ACT Long Service Leave review**

Dear Minister,

I have been contacted by Mental Health Australia regarding a long running issue relating to contributions paid by them to the ACT Long Service Leave (portable scheme) Authority.

I understand Mental Health Australia has formally requested the ACT LSL (portable scheme) Authority to refund the contributions it has paid into the Scheme following the Authority's decision to de-register the organisation in December 2016.

Minister, would you advise what action has been taken by the ACT LSL (portable scheme) Authority and why, since this request was made?

Yours sincerely

Dear Mr Wall

Thank you for your letter of 23 August 2018 about Mental Health Australia's request for a refund for contributions paid to the ACT Long Service Leave Authority (the Authority).

At the request of Mental Health Australia (MHA), the ACT Long Service Leave Authority (Authority) undertook a review of the registration of MHA in 2017 and determined to cease its registration from 1 January 2017.

I have been informed that the Authority declined the refund of contributions requested by MHA on the basis that the Registrar's decision in 2010 to register Mental Health Council of Australia (MHCA) into the scheme was properly made. Following this, the Authority was advised on 10 July 2014 that the MHCA was changing its entity name. At this time the Authority properly transferred all employees of the former MHCA to the new registration of MHA.

MHCA, and subsequently MHA, were properly registered and the payments made on behalf of the employees of MHCA and MHA to the scheme were also made correctly. Accordingly, there is no basis on which to refund the monies paid to the scheme between 2010 and 2016.

I hope that the information above answers your question.

Yours sincerely

Rachel Stephen-Smith MLA
