Phang,

Attached are the financial impacts put together by Liz on the proposed changes to land rent scheme. (Abolish the 4 per cent standard rate).

We'll probably need to sit down and have a set of numbers we're all aware of for both RFG and the Budget. I'll send through a meeting invite when I find out what time is good for everyone.

Regards

Leif

Hi

Can you send me some or all of the materials you gave me yesterday electronically so I can flick it ion to Megan

Thanks
