

Triple Bottom Line (TBL) Assessment Summary

The Triple Bottom Line Assessment is required to be published in accordance with Part 4, section 23 (1)(b) of the Freedom of Information Act 2016

19/551 Government Response to Standing Committee on Planning and Urban Renewal Report 9 – Draft Variation to the Territory Plan 360 Molonglo River Reserve changes to public land reserve overlay boundaries and minor zone adjustment

Summary of impacts: The proposal seeks to provide responses to the recommendations contained in the Standing Committee on Planning and Urban Renewal Report 9.

- The responses do not affect social, economic and environmental outcomes.
- Social, economic and environmental matters have been thoroughly investigated through various Commonwealth and ACT environmental approvals processes which subsequently informed the changes to the public land reserve overlay boundaries for the Molonglo River Reserve on the Territory Plan Map.
