Good afternoon,

On behalf of [REDACTED] I write to request, under the *Freedom of Information Act 2016*, copies of the following documents:

1. Subject lines for briefs related to the Multicultural Facility at EPIC (Jan 2019-Present) generated for or directed to any ACT Government Minister.

Kind regards,

Dear 

FREEDOM OF INFORMATION REQUEST

I refer to your application under section 30 of the *Freedom of Information Act 2016* (the Act), received by the Chief Minister, Treasury and Economic Development Directorate (CMTEDD) on 29 April 2023. Specifically, you have sought access to the following information:

- *Subject lines for briefs related to the Multicultural Facility at EPIC (Jan 2019-Present) generated for or directed to any ACT Government Minister.*

Authority

I am an Information Officer appointed by the Director-General under section 18 of the Act to deal with access applications made under Part 5 of the Act.

Timeframes

In accordance with section 40 of the Act, CMTEDD is required to provide a decision on your access application by 2 June 2023.

Decision on access

Searches were completed for relevant information maintained by CMTEDD, identifying one subject line within scope of your request. I have decided to grant **full access** to the available information (refer to table below):

Brief subject line	<i>Large-Scale Venues for Multicultural and Community Events at EPIC Feasibility</i>
---------------------------	--

In accordance with section 54(2) of the Act a statement of reasons outlining my decisions is below.

Statement of Reasons

As a decision maker, I am required to determine whether the information within scope is in the public interest to release. To make this decision, I am required to:

- assess whether the information would be contrary to public interest to disclose as per Schedule 1 of the Act

- perform the public interest test as set out in section 17 of the Act by balancing the factors favouring disclosure and factors favouring non-disclosure in Schedule 2

The public interest information under schedule 2 of the Act

The Act has a presumption in favour of disclosure. As a decision maker I am required to decide where, on balance, public interest lies. As part of this process, I must consider factors favouring disclosure and non-disclosure.

Taking into consideration the information found to be within the scope of your request, I have identified that the following public interest factors are relevant to determine if release of the information contained within these documents is within the 'public interest'.

Factors favouring disclosure in the public interest:

(a) disclosure of the information could reasonably be expected to do any of the following:

- (i) promote open discussion of public affairs and enhance the government's accountability;*
- (ii) contribute to positive and informed debate on important issues or matters of public interest.*

I consider that disclosing the contents of the information sought could contribute to open discussion and informed debate on the matters contained in the subject line.

I have placed substantial weight on the above factors favouring disclosure. It is reasonable to expect that information about this topic may be of interest to other residents within the Canberra community. The release of this information can reasonably be expected to provide information that will inform the community and enhance debate.

I did not identify any factor favouring nondisclosure and have decided to release this information to you in full.

Charges

Processing charges are not applicable for this request.
