Dear [REDACTED]

Freedom of Information Request – Block 4 Section 150 Kambah

I refer to your application under section 14 of the *Freedom of Information Act 1989* (FOI Act), received by the Environment and Sustainable Development Directorate (ESDD) on 4 January 2013, in which you requested the following documents:

“Certified building plans for the addition to the original house designated as the “Dining” on the plan approved 1 June 2009. The drainage plan is specifically sought for this addition”

In a telephone call to Heather Johnston, FOI Officer, on 23 January 2013 you confirmed that the plans sought were lodged prior to 2009 but may be seen in the 2009 plans. A new search was conducted as a result of this information and additional documents identified.

I am an officer authorised to make a decision in respect of a request for information, under section 22 of the FOI Act.

Schedule detailing decisions

Please refer to the attached schedule that lists decisions regarding access to additional documents, which have been identified as relevant to your request. The term used on the schedule is ‘Partial release’. Where an exemption is made, a reference will be made on the schedule to the relevant section or combinations of sections of legislation that apply to the decision.

Decision

The Directorate has identified one document in its possession that meet the scope of your request, as identified in the schedule attached to this letter.

Under the FOI Act, documents may be partially exempt or provided to applicants with deletions. I have decided to exempt some parts of some documents under section 41 (Documents relating to personal privacy).

Personal Privacy

Section 41 of the FOI Act provides

(1)A document is an exempt document if its disclosure under this Act would involve the unreasonable disclosure of personal information about any person (including a deceased person).

This document contains the personal information relating to community members. I believe that to release the information contained in this document to you would constitute an unwarranted invasion of privacy on the people concerned.

Review rights

My decision is appealable under the FOI Act. This means that if you are dissatisfied with this outcome you have a right to seek a review under section 59 of the FOI Act. This right of review extends to a review of the adequacy of the search for documents undertaken by ESDD. If you wish to seek a review you should write to:

The Director-General
Environment and Sustainable Development Directorate
GPO Box 1908
CANBERRA ACT 2601
Email: ESDDFOI@act.gov.au

You have 28 days from the date of this letter to seek a review of the outcome or such other period as the Director-General permits.

Under section 54 of the FOI Act, if you are concerned about the processing of your request or related administrative matters, you may complain to the Ombudsman, who may conduct an independent investigation into your complaint. There is no fee for this, and the contact details are as follows:

The Ombudsman
GPO Box 442
CANBERRA ACT 2601
