Greg,

This Budget Consultation Submission came over this afternoon.

The project appears to be based on strategic land acquisition, therefore I am providing it for your consideration.

There are two additional emails with large attachments – I will forward those separately.

Cheers

Richard

Hutchy/Dermott,

Please find attached a late Budget Consultation submission regarding a proposal for a Williamsdale Airfield. Given the stage of ICB/PCB development etc I am not sure how much scope remains to consider this one in the 14-15 context.

has requested an acknowledgement letter/response which I will handle on this end.

Please note there are several attachments to go with the submission, I will send these over via a few emails (prob 3 or so, will aim to keep size under 5MB). The submission has not been marked as confidential.
