Executive Document Release

I write in reference to your request for a copy of the Strategic and Functional Review of the ACT Public Sector and Services made under the *Freedom of Information Act 2016*.

On 14 November 2019 you were advised that as the Strategic and Functional Review of the ACT Public Sector and Services is an accessible executive document its release must be considered under the *Territory Records Act 2002* (the Act).

In accordance with section 8(a) of the Act I am the Principal Officer for the Executive and in accordance with section 31E must make a decision on the release of any accessible executive records when requested.

I have reviewed the document you have requested and consider there are no restraint determinations in force which would prohibit its release. Accordingly, I have decided to release the document in full to you.

Due to the size of the document it is not possible to email it to you, however a USB drive containing a copy has been left for you at the Reception Desk of the Canberra Nara Centre 1 Constitution Avenue Canberra. A copy of this decision and the document will also be published on the CMTEDD Disclosure Log.

Yours sincerely

Kathy Leigh
Head of Service
