Hi [REDACTED]

Can I request a copy of the correspondence from the union regarding the request to the Department of Education to carry out Audits in the schools recently , the union has advised our company that the Directorate asked the union to do the audits

Please advise

Regards

Hi [REDACTED]

Can I request a copy of the letter sent to the Business managers regarding the union visits to the schools to do the audits , we were advised by the union when we found them on site that they did not have to advise the contractor of the visit as it was ordered by the Department of Education

Regards
