Background

ACT Health and the Directorate are preparing a joint brief to the Chief Minister on the progress of the HAAS program.

Issues

An email request at Attachment A requests the Directorate to make suggested changes to the HAAS Chief Minister brief. Dr Peggy Brown, Director-General, ACT Health has provided comment on the brief Attachment B and the answers to her questions have been included in the updated brief Attachment C.

ACT Health has also suggested wording for the brief Attachment D and those changes have also been reflected in the updated brief.

Please note that the issue about the Specialist School students has been identified in the updated brief. A meeting has been organised for 22 November 2013 between Ms Beth Mitchell, ACT Health staff and the Specialist School Principals to discuss the transition of care for their students who meet the HAAS criteria.

Consultation with Finance and Corporate Support and Funding Implications

Nil consultation for this brief.

Consultations

The Directorate and ACT Health are working together on this brief for the Chief Minister. Sign off on the brief is required from yourself and Ms Peggy Brown, Director-General, ACT Health.

Media

Nil media response as this brief is confidential.
