Dear [REDACTED]

FREEDOM OF INFORMATION (FOI) REQUEST

I refer to your application received by Access Canberra on 22 August 2017 in which you sought access, under the *Freedom of Information Act 1989* (the Act) to building plans for construction at 48 Jansz Crescent, Griffith. You advised that this is a DA exempt development and that you would like this request to include in sufficient detail, measurements to estimate the plot ratio and solar envelope.

On 05 September 2017 after discussion with Access Canberra's FOI Coordinator, you refined the scope of your request "stating that you are primarily interested in information that would give you the plot ratio, solar envelope and setback from boundaries".

I am the officer authorised under section 22 of the Act to make a decision in relation to your request.

I have decided documents relevant to your request will be fully released in accordance with the Act. The attached schedule details what is being released.

I have also assessed your request for information under the ACT Government's Online FOI Publication Policy and have determined that your original application and this decision letter will be published online. For more information on the policy, please visit
