Dear [REDACTED]

**Freedom of Information Request – 17/31845 – Dickson Masterplan referencing Block 30 Section 34 Dickson**

I refer to your application under section 14 of the *Freedom of Information Act 1989* (the Act), received by the Environment, Planning and Sustainable Development Directorate (EPSDD) on 9 November 2017, in which you requested the following documents:

*'copies of documents from 2008 to 2012 relating to the Dickson Masterplan that reference Dickson Block 30, Section 34.'*

I am an officer authorised to make a decision in respect of a request for information, under section 22 of the Act.

I apologise for the delay in deciding your request. Your patience and understanding is appreciated.

**Schedule detailing decisions**

Please refer to the attached schedule that lists decisions regarding access to all documents, which have been identified as relevant to your request. The terms used on the schedule are either 'Full Release', 'Partial release' or 'Exempt'. Where an exemption is made, a reference is made on the schedule to the relevant section or combinations of sections of legislation that apply to the decision.

Duplicate documents are listed on the schedules, however where possible I have included only one copy with the released documents.

**Decision**

The Directorate has identified 44 documents in its possession that meet the scope of your request, as identified in the schedule attached to this letter.

Under the Act, documents may be partially exempt/exempt or provided to applicants with deletions and I have decided to exempt some documents under sections 35 (Executive documents) and 41 (Documents relating to personal privacy).

**Executive documents**

Section 35 of the Act provides:

1. A document is an exempt document if it is—

- a. a document that has been submitted to the Executive for its consideration or is proposed by a Minister to be so submitted, being a document that was brought into existence for the purpose of submission for consideration by the Executive; or
- b. an official record of the Executive; or

- c. *a document that is a copy of, or of a part of, or contains an extract from, a document referred to in paragraph (a) or (b); or*
- d. *a document the disclosure of which would involve the disclosure of any deliberation or decision of the Executive, other than a document by which a decision of the Executive was officially published."*

I have exempted from release under section 35(1)(a)&(d) of the Act documents that have been submitted to Cabinet for the consideration of its members. In addition, documents that refer to information that is contained in the Cabinet submissions are exempted under section 35(1)(d) of the Act. These documents include draft submissions, background papers, emails and briefs together with comments from officers of ESDD and other agencies that constituted part of the process of drafting the submissions.

To disclose this information would reveal the deliberations of the Cabinet members. The resulting Cabinet decisions I have exempted under section 35(1)(b) of the Act.

### **Personal Privacy**

Section 41 of the Act provides:

1. *a document is an exempt document if its disclosure under this Act would involve the unreasonable disclosure of personal information about any person (including a deceased person).*

### **Review rights**

My decision is appealable under the Act. This means that if you are dissatisfied with this outcome you have a right to seek a review under section 59 of the Act. This right of review extends to a review of the adequacy of the search for documents undertaken by EPSDD. If you wish to seek a review you should write to:
