

## Suggested Reasonable Premium Rates for 2017/18

*Draft for Discussion Purposes Only*

The following table is an extract taken from the report "ACT Workers' Compensation Review of Scheme Performance to 30 June 2016" prepared by Finity Consulting Pty Ltd on behalf of the Chief Minister, Treasury and Economic Development Directorate. This extract should be read in conjunction with the full report and with particular reference to the reliances and limitations set out in this report.

These rates are based on actuarial analysis. Actual rates may vary depending on the actual claims experience and risk profile of an employer.

We have shown both the suggested rate for the upcoming policy year (i.e. 2017/18) compared with the previous policy year's suggested rate (i.e. 2016/17) by ANZSIC 2006 class level.

At an overall level, we have reduced the suggested average premium rate from 2.70% of wages to 2.58% of wages (a 5% proportional reduction).
