Section A - Scope of Agreement

A1 TITLE

- A1.1 This Agreement, made under section 172 of the *Fair Work Act 2009* will be known as the ACT Public Sector ACT Ambulance Service Enterprise Agreement 2013-2017.

A2 MAIN PURPOSE

- A2.1 The main purpose of this Agreement is to provide for common terms and conditions that apply across the Australian Capital Territory Public Service (ACTPS) and terms and conditions that reflect the operational and business requirements of particular business units and occupational groups.

Retaining our people

- A2.2 In order to promote permanent employment and job security for employees, the ACTPS will endeavour to minimise the use of temporary and casual employment. The ACTPS agrees to the use of temporary employees only where there is no officer available with the expertise, skills or qualifications required for the duties to be performed or the assistance of a temporary nature is required for the performance of urgent or specialised work within a particular business unit of the ACTPS and it is not practical in the circumstances to use the services of an existing officer.
- A2.3 In respect of casual employment, where regular and systematic patterns of work exist and where persons have a reasonable expectation that such arrangements will continue, consideration should be given to engaging the person on a different basis, including on a permanent or temporary basis.
- A2.4 The ACTPS will continue to consult with unions and employees on the development of strategies and initiatives that may assist in the successful recruitment and retention of mature age employees. Such strategies and initiatives will be the subject of discussion and agreement between the employee and the relevant manager/supervisor.
- A2.5 These strategies and initiatives may include:
- a) developing flexible working arrangements, such as variable employment, part-year employment, job sharing and purchased leave;
 - b) planning phased retirement arrangements for individual mature age employees who are considering retirement within four to five years, including through reducing the employee's management or higher level responsibilities during a phased retirement period;
 - c) examining the implications of current superannuation legislation for using such flexible employment and working arrangements and informing affected employees how such implications may be addressed;
 - d) arranging training to assist the employee in any changing roles the employee may have as part of the employee's phased retirement;
 - e) developing arrangements to facilitate the return of former mature age employees, including by engaging such persons for a short period in a mentoring capacity;
 - f) at the discretion of the head of service, contributing to the cost to an employee of financial advice received as part of planning for a phased retirement period.

Attracting future employees

- A2.6 The ACTPS will consult with union(s) through the Directorate Consultative Committee (DCC) to develop strategies to assist in attracting and retaining suitable employees. This will involve development of appropriate strategies and processes, including the conduct of surveys of staff, to assist this objective.

Developing our people

- A2.7 The ACTPS will consult and agree with union(s) on the development and finalisation of Learning and Development Plans and on the annual key learning and development priorities. The ACTPS and the union(s) will also agree on the equitable use of resources to address these priorities and strategies appropriate for the different categories of employees. For the purposes of this clause, "resources" includes but is not limited to employees, time, funding (where required) and equipment.
- A2.8 This Agreement supports a performance culture within the ACTPS that promotes ethical workplace conduct and rewards employees for their contribution towards the achievement of the ACTPS's objectives.
- A2.9 It is acknowledged that performance management is important to employee development and to ensuring the relationship between corporate, team and individual responsibilities are aligned to individual, team and organisational objectives.
- A2.10 Any performance management schemes in the ACTPS will not include performance pay and will not be used for disciplinary purposes.

Recognising our people

- A2.11 The ACTPS is committed to achieving an environment where employees feel valued for the contribution they make to achieving organisational goals. The most effective form of recognition is timely and appropriate feedback. The ACTPS will consult with the union(s) on other effective ways of recognising and rewarding the achievement of individuals and work groups.
- A2.12 Any outcomes of this consultation will only be implemented by agreement of the ACTPS and the union(s).

Ensuring fairness

- A2.13 The ACTPS recognises and encourages the contribution that people with diverse backgrounds, experiences and skills can make to the workplace. The ACTPS aims to ensure that this diversity is able to contribute to effective decision making and delivery of client service.
- A2.14 The ACTPS will work with employees to prevent and eliminate discrimination on the basis of sex, sexuality, gender identity, relationship status, status as a parent or carer, pregnancy, breastfeeding, race, religious or political conviction, disability, industrial activity, age, profession, trade, occupation or calling, association, or a spent conviction, in accordance with the *Discrimination Act 1991*.

Achieving a better work and life balance

- A2.15 The ACTPS is committed to providing employees with a work/life balance that recognises the family and other personal commitments of employees.

Promoting a healthy and safe working environment

- A2.16 The ACTPS is committed to promoting, achieving and maintaining the highest levels of health and safety for all employees.
- A2.17 The ACTPS will take all reasonable steps and precautions to provide a healthy, safe and secure workplace for the employee. The ACTPS and all employees will act in a manner that is consistent with the Work Health and Safety Act (WHS Act).
- A2.18 Bullying and harassment and discrimination of any kind will not be tolerated in ACTPS workplaces. It is recognised that bullying and harassment in the workplace has both emotional and financial costs and that both systemic and individual instances of bullying and harassment are not acceptable. Accordingly:
- a) if the head of service is made aware of instances, or reported instances, of bullying and harassment or discrimination, the head of service will investigate the concerns as soon as possible in accordance with the Workplace Values and Behaviours provisions in Section H of this Agreement; or
 - b) if the head of service independently considers that inappropriate behaviour may be occurring, then the head of service will respond, as soon as possible, in a manner commensurate with the seriousness of this issue.
- A2.19 Further, given the clear evidence of the benefits and cost effectiveness of workplace health initiatives for both employers and employees, the ACTPS will develop health and wellbeing policies and programs that promote healthy lifestyles and help maintain a high standard of physical and mental health, along with supporting individual workplace safety and general wellbeing. Such policies and programs may include:
- a) organisational/environmental policies and programs;
 - b) awareness and education programs that promote healthy lifestyles and reduce risk factors; and
 - c) traditional and non-traditional physical activity programs.

- A5.4 Despite subclause A5.3, in acknowledgement of the complexity of creating new stream agreements for the ACTPS, where it is agreed by the head of service and the relevant union(s) that an ambiguity, uncertainty or omission exists within the Schedule content of this Agreement, and that ambiguity, uncertainty or omission has resulted in a detrimental outcome for an ACTPS employee or group of employees, an agreed remedy will be found.
- A5.5 This Agreement prevails over ACT legislation, including the PSM Act and the PSM Standards and relevant policy statements and guidelines to the extent of any inconsistency.

A6 AGREEMENT AVAILABILITY

- A6.1 Copies of this Agreement will be made available, in paper or electronic form, to all employees covered by the Agreement.

- A7.2 This does not limit the power of the head of service to authorise a person to act for and on the head of service's behalf.
- A7.3 Only Directors General may, in writing, sub-delegate a power or function delegated to them by the head of service.

 - c) the particular day is a public holiday;
- the employee will be granted a day's leave in lieu of a public holiday, which occurs on a day on which that employee is rostered off duty.
- B6.11 The day in lieu provided for in subclause B6.10 must be granted within one month after the holiday, if practicable.
- B6.12 Where it is not practicable to grant a day's leave in lieu in accordance with subclause B6.11, the employee will be paid one day's pay at the ordinary hourly rate of pay.

Meal Break

- B6.13 Unless there are exceptional and unforeseen circumstances, an employee will not be required to work for more than five hours without a break for a meal of at least thirty minutes duration. Meal breaks will not count as time worked unless specific provisions are made for in this Agreement.
- B6.14 The term 'meal break' does not require the employee to partake of a meal during the break period.
- B6.15 The provisions of subclause B6.13 may be varied by agreement between the Manager/Supervisor and a majority of employees concerned in a workplace.
- B6.16 An employee who works up to six hours in a day may, at the employee's discretion, work up to six hours without a meal break to accommodate the employee's personal circumstances and work/life balance.

- B6.17 An employee who is required, due to operational reasons, to continue working through the employee's meal break will be paid an additional 50% of the employee's ordinary hourly rate of pay from the scheduled time of commencement of the break until the employee is provided a break or commencement of a period of overtime following completion of ordinary hours of work.

B7 FLEXTIME

- B7.1 This clause applies to the following ACT Ambulance Service classification:
- a) Ambulance Manager 1.
- B7.2 Flextime will provide the framework for an employee's, other than a casual employee's, pattern of attendance at work to be varied according to the needs of the employee and the requirements of the work unit. It is not a system that is designed to increase or reduce the total number of hours that must be worked. Flextime is not available to shift workers whose hours of work are provided for in clause B6.1.
- B7.3 For flextime arrangements to work effectively managers and employees have a responsibility to manage hours of work to ensure that individuals are not building up excessive flex credits without:
- a) the opportunity to access flextime accrued; and
 - b) being productively employed i.e. a manager/supervisor may require an employee not to accumulate flex credits before 8:30 am or after 5:06 pm where there is insufficient work or an employee cannot be sufficiently managed.
- B7.4 Subject to subclause B7.5, only employees at the Ambulance Manager 1 classification will participate in flextime.
- B7.5 Flextime is not accrued by employees who are engaged in shift work or those employees entitled to accrued days off in accordance with clause B8 of this Agreement.
- B7.6 Hours of work arrangements will be in accordance with operational requirements and occupational health and safety principles. This means that patterns of working hours that have the potential to impact on the health of an employee, such as working long hours in a condensed period or avoiding meal breaks so as to depart early from work, should be avoided.
- B7.7 As far as practicable, an employee will not be required to work for longer than five hours without a break of a minimum of thirty minutes duration except whilst undertaking fire fighting duties or other declared emergency activities.
- B7.8 The span of hours for employees eligible for flextime provisions will be from 7:00 am to 7:00 pm, Monday to Friday.
- B7.9 Employees may work outside the span of hours stipulated at subclause B7.7 where an employee and the manager/supervisor so agree. This provision is designed to add flexibility in exceptional circumstances and is not intended to replace normal overtime provisions.
- B7.10 Where an employee works outside the span of hours in accordance with subclauses B5.8 or B7.8, these hours will be considered normal hours of duty and will not attract overtime payments or time off in lieu provisions on an hour for hour basis, unless otherwise agreed between the employee and the manager/supervisor prior to the work being performed.
- B7.11 A settlement period will comprise two pay periods (i.e. four weeks).

- B7.12 Starting and finishing times within the span of hours are to be determined for individual work areas by the head of service based on operational needs.
- B7.13 An employee may have a maximum flextime credit equal to the employee's normal weekly hours of duty, at the end of the settlement period. This may be varied by agreement between the manager/supervisor and the employee.
- B7.14 There is no provision to cash out flextime credits either during a period of employment or upon separation or transfer out of the ACTPS.
- B7.15 The maximum flextime debit that may accrue is ten hours in any settlement period. Any debit in excess of the maximum debit, at the end of a settlement period, will be considered to be leave without pay and deducted in accordance with overpayment process at clause D5.
- B7.16 Any flextime debits an employee has if the employee ceases employment with the ACTPS will be recovered from any termination payment owing to the employee, except in the case of death.
- B7.17 Accrued flextime credits will be taken at such times and in such a period or periods as are agreed between the employee and the manager/supervisor and approved prior to taking accrued flextime. It is the responsibility of both the employee and the relevant manager/supervisor to take steps to ensure that accrued flextime credits can be taken as time off, in accordance with this clause.
- B7.18 An employee not complying with these flextime provisions may be directed to work standard hours or the employee's standard working pattern - 8:30 am to 12:30 pm and 1:30 pm to 5:06 pm Monday to Friday, for an employee whose hours of work are provided for in subclause B5.4, (38.00 Hours per Week – Non Shift Workers), unless otherwise agreed in writing by the employee and the manager/supervisor.

B8 ACCRUED DAYS OFF (ADOS)

- B8.1 An employee to whom this clause applies is entitled to a day/shift off duty using bankable leave accrued as a result of increasing the employees daily hours of work – e.g. increasing from 7 hours 36 minutes to 8 hours.
- B8.2 An employee may apply to take an ADO as a whole day or part of a day by agreement with the manager/supervisor. ADOs will be approved by the manager/supervisor subject to operational requirements. If the manager/supervisor does not approve an accrued day off because of operational requirements, the manager/supervisor will consult with the employee to determine a mutually convenient alternative time (or times) for the employee to take the leave.
- B8.3 Accrual towards an ADO does not occur when an employee is on any form of leave with the exception of annual leave, paid personal leave and compassionate leave.
- B8.4 ADOs will not be taken in advance and must only be taken when the equivalent time has been accrued.
- B8.5 An employee may bank a maximum of six ADOs with the approval of the employee's manager/supervisor.
- B8.6 For each day or shift an employee is absent on annual leave, paid personal leave or compassionate leave, leave credits will be reduced by the number of ordinary hours that the employee would have worked on that day or shift (including time accrued for the ADO). Each day or shift of paid annual leave, paid personal leave or paid compassionate leave taken during the cycle of shifts will therefore be regarded as a day worked for accrual towards an ADO.

- B8.7 Where an employee, who has accrued credit towards an ADO, ceases employment with the ACTPS and it is not practical for the employee to utilise that credit, will have the accrued ADO credit paid on separation. The rate at which any unused ADO credit will be paid will be the rate of pay, including any applicable higher duties allowance, that is in effect on the date of separation.

This means that at the beginning of daylight saving employees working an overnight shift will work one hour less but will still be paid for the full shift, and when daylight saving ends employees will work for an extra hour but will be paid according to the clock.

C14 ON-CALL ALLOWANCES

- C14.1 Where an employee is required or directed, prior to ceasing duty, by the employee's manager/supervisor to be contactable and available to be recalled to duty within a reasonable time outside the employee's ordinary hours of duty (a restricted situation), the employee will be entitled to be paid an on-call allowance of:
- a) ten percent of the employee's hourly rate of pay for each hour of on-call Monday to Friday; or
 - b) fifteen percent of the employee's hourly rate of pay for each hour of on-call on Saturday and Sunday; or
 - c) twenty percent of the employee's hourly rate of pay for each hour of on-call on public holidays and accrued days off.
- C14.2 An employee's pay for the purpose of calculation of payment under this clause will include higher duties allowance and other allowances in the nature of pay.
- C14.3 Employees at the ICP2 classification and below will be eligible for payment of the on-call allowance. However, the head of service may approve payment of the on-call allowance to employees above this level in exceptional circumstances.

- C14.4 Where approval has been made for payment under subclause C14.3 to an employee above the ICP2 classification, the hourly rate of pay will be the maximum of the ICP2 classification.
- C14.5 The on-call allowance is not payable for any period that the employee does not hold himself or herself at the required degree of readiness to be recalled to duty.
- C14.6 Where an employee who had been placed in an on-call situation is recalled to duty at a designated place of work, the employee will be paid at the applicable overtime rates, subject to a minimum payment of three hours overtime being made to the employee.
- C14.7 The provisions of clause C17 will not apply where an employee is recalled to duty while on on-call.
- C14.8 The on-call allowance is not payable for any period of time where overtime payments are made. Therefore, if the employee performs a period of duty for which overtime is payable, the on-call allowance is not paid for a period equal to the overtime period.
- C14.9 “Recalled to duty at a designated place of work” means a recall to perform duty at any designated place of work and is not limited to a recall to perform at the employee’s usual place of work. For example, a tradesperson may have a usual place of work, but while the tradesperson is restricted the tradesperson might be recalled to perform duty at a number of different places of work.
- C14.10 Where an employee who has been placed in an on-call situation is recalled for duty, but is not required to be recalled to their usual place of work (for example, where an employee is able to access computer systems at home via remote access), the employee will be paid at the applicable overtime rates, subject to a minimum payment of one hour overtime being made to the employee.
- C14.11 If a recall to duty attracts a minimum overtime payment, subsequent recalls will attract a further minimum overtime payment(s) only if the employee commences after the minimum payment period has elapsed. For the purposes of this clause, the minimum payment period is either three hours or one hour, as set out in subclauses C14.6 and C14.10, from the commencement of the recall to duty that attracts the overtime payment.

C15 CLOSE CALL ALLOWANCE

- C15.1 Where an employee is required or directed, prior to ceasing duty, by the employee's supervisor to be contactable and available for immediate recall to duty outside the employee’s ordinary hours of duty (a close call situation), the employee will be entitled to be paid a close call allowance of:
- a) twenty percent of the employee’s hourly rate of pay for each hour of close-call Monday to Friday; or
 - b) thirty percent of the employee’s- hourly rate of pay for each hour of close-call on Saturday and Sunday; or
 - c) forty percent of the employee’s hourly rate of pay for each hour of close-call on public holidays and accrued days off.
- C15.2 An employee placed in a close call situation must:
- a) remain within a radius of thirty minutes vehicle travelling time from the work site; and
 - b) commence the return to work journey immediately on being recalled, being within five minutes from time of recall.

- C15.3 The head of service may, in special circumstances, allow an employee who cannot meet these requirements to be deemed to be on close call if the employee is able to return to the worksite within forty-five minutes from the time of recall.
- C15.4 An employee's pay for the purpose of calculation of payment under this clause will include higher duties allowance and other allowances in the nature of pay.
- C15.5 Employees at the ICP2 classification and below will be eligible for payment of the close call allowance. However, the head of service may approve payment of the close call allowance to employees above this level in exceptional circumstances.
- C15.6 Where approval has been made for payment under subclause C15.5 to an employee above the ICP2 classification, the hourly rate of pay will be the maximum of the ICP2 classification.
- C15.7 The close call allowance is not payable for any period that the employee does not hold himself or herself at the required degree of readiness to be recalled to duty.
- C15.8 Where an employee who has been in a close call situation is recalled to duty at their place of work, the employee will be paid at the applicable overtime rates, subject to a minimum payment of three hours overtime being made to the employee.
- C15.9 The provisions of clause C17 will not apply where an employee is recalled to duty while on close call.
- C15.10 Where the employee performs a period of duty for which overtime is payable, the close call allowance is not paid for a period equal to the overtime period.
- C15.11 "Recalled to duty at their place of work" means a recall to perform duty at any designated place of work and is not limited to a recall to perform at the employee's usual place of work. For example, a tradesperson may have a usual place of work, but while the tradesperson is in a close-call situation the tradesperson might be recalled to perform duty at a number of different places of work.
- C15.12 Where an employee who had been placed in a close call situation is recalled for duty, but is not required to be recalled to their place of work (for example, where an employee is able to access computer systems at home via remote access), the employee will be paid at the applicable overtime rates, subject to a minimum payment of one hour being made to the employee.
- C15.13 If a recall to duty attracts a minimum overtime payment, subsequent recalls will attract a further minimum overtime payment(s) only if the employee commences after the minimum payment period has elapsed. For the purposes of this clause, the minimum payment period is either three hours or one hour, as set out in subclauses C15.8 and C15.12, from the commencement of the recall to duty that attracts the overtime payment.

C16 REST RELIEF FOR ON-CALL OR CLOSE CALL SITUATIONS

- C16.1 Where an employee who had been placed in an on-call or close call situation under clause C14 or clause C15 is recalled to duty, the employee must, other than in exceptional circumstances, be given a genuine opportunity for having eight continuous hours rest in the twenty four hour period where there is a recall to duty.
- C16.2 In addition to the eight hours rest relief, the employee must be allowed reasonable time to travel to and from the employee's place of work.

- C16.3 In exceptional circumstances, if an employee is required by the head of service to resume or continue ordinary work time without having the rest relief as set out in subclause C16, plus reasonable travelling time, the employee must:
- a) be paid an additional single time at the employee's ordinary hourly rate of pay until the employee is released from duty for that period; and
 - b) the employee will then be entitled to be absent until the employee has had eight consecutive hours off duty plus reasonable travelling time, without loss of pay for any ordinary working time occurring during that absence.
- C16.4 There is a need for appropriate roster management processes to enable the effective implementation of subclause C16.1.

C17 EMERGENCY DUTY

- C17.1 Where an employee is called on duty to meet an emergency at a time when the employee would not ordinarily have been on duty, and no notice of such call was given to the employee prior to ceasing ordinary duty, the employee will be paid for such emergency duty.
- C17.2 The time for which payment will be made under this clause will include time necessarily spent in travelling to and from duty.
- C17.3 The minimum payment under this clause will be two hours.
- C17.4 The rate of payment for emergency duty will be double time at the employee's ordinary hourly rate of pay.
- C17.5 This clause does not apply to employees whose duty for the day is varied by alteration of the commencement of the scheduled shift to meet an emergency.

C18 OTHER ALLOWANCES

- C18.1 Expense, disability and skill related allowances provided for in this Agreement are set out in Annex C.
- C18.2 The rates for all allowances provided for in Annex C of this Agreement will be adjusted by the rate of increases in pay in accordance with subclause C2.2, except in Year 1 when the increase will be 2% payable on the first pay period on or after 1 July 2013.
- C18.3 Despite clause C1, part-time and casual employees who satisfy the requirements for payment of an expense-related allowance will receive the full amount of allowance or payment prescribed in Annex C.
- C18.4 Part-time and casual employees who satisfy the requirements for payment of a disability or skill related allowance under this Agreement will receive the allowance on a proportional basis.
- C18.5 Allowances payable to casual employees under this Agreement are not subject to the loading prescribed in subclause B9.3.

C18.6 The following allowances, detailed in Annex C, may apply to any ACTPS employee:

- a) Overtime Meal allowance
- b) First Aid allowance
- c) Linguistic Availability/Performance allowance
- d) Intermittent Driving Duties allowance
- e) Excess Fares and Travelling Time
- f) Motor Vehicle allowance and Additional Rates of Motor Vehicle allowance.

C19 REIMBURSEMENT OF REASONABLE RELOCATION EXPENSES

C19.1 The purpose of this reimbursement is to provide financial assistance to employees recruited from interstate or overseas who are engaged on a permanent or long term temporary basis.

C19.2 The head of service may approve a reimbursement payment to a prospective employee as the head of service considers is reasonable in the prospective employee's circumstances. The relevant pre-determined ceiling is set out below:

Single with no dependants	\$12,000
Additional payment per dependant (first six dependants)	\$2,000
Additional payment per dependant (seventh and further dependants)	\$1,750

C19.3 The head of service will inform the prospective employee of the predetermined ceiling prior to the prospective employee's relocation.

C19.4 In order for a prospective employee to be reimbursed costs, valid receipts must be provided.

C19.5 For the purposes of this clause, dependant does not require actual financial dependency and includes members of the prospective employee's immediate household including a domestic partner, parent, parent of domestic partner, brother, sister, guardian, foster parent, step-parent, step-brother, half-brother, step-sister, half-sister, child, foster child or step child residing with the employee at the time the offer is made.

C19.6 The head of service may approve payment in excess of the approved amount or ceiling in exceptional circumstances.

C19.7 In the event that the employee terminates their employment with an ACTPS business unit within twenty four months of the date of appointment and does not commence employment with another ACTPS business unit within one month, the employee may be required by the head of service to repay:

- a) in the case the employee terminates employment within twelve months from the date of appointment – 100% of the relocation reimbursement; or
- b) in the case the employee terminates employment more than twelve months and less than twenty four months from the date of appointment – 50% of the relocation reimbursement.

C20 MATURE AGE PAYMENT

- C20.1 Where the head of service considers that an employee has the knowledge, skills and experience that are essential for the ACTPS to retain, the head of service may approve additional remuneration benefits instead of employer superannuation contributions being made for any of the following.
- a) an employee who is seventy years or older and Commonwealth legislation precludes the payment of employer superannuation contributions for that employee; or
 - b) an employee who is seventy years or older and whose preferred choice of fund rules precludes the payment of employer superannuation contributions; or
 - c) an employee is aged between sixty five and seventy years and the employee does not meet the work test (as defined by relevant superannuation legislation and rules).
- C20.2 Where Commonwealth legislation or choice of fund rules change to allow employer superannuation contributions to be made, the mature age payment will cease and superannuation contributions will re-commence. It is the responsibility of the employee to promptly request their manager/supervisor to seek to cease the mature age payment and to arrange to resume employer superannuation contributions for funds of choice.
- C20.3 The date of effect for resumption of employer superannuation contributions under clause C20.2 will be from the next available pay day after the mature age payment ceases.

Section D - Pay Related Matters

D1 SALARY SACRIFICE ARRANGEMENTS

- D1.1 Voluntary access to salary sacrifice arrangements will be made available to employees in accordance with policies and guidelines issued by the Commissioner for Public Administration from time to time.
- D1.2 The employee will meet all costs incurred as a result of the salary sacrifice arrangements under these provisions.
- D1.3 The employee's pay for superannuation purposes and severance and termination payments will be the gross pay that the employee would receive if the employee were not taking part in salary sacrifice arrangements.
- D1.4 Changes to salary sacrifice arrangements, including taxation changes, will not be a cause for further claims against the ACTPS.
- D1.5 The head of service will continue to provide appropriate information to employees concerning salary sacrifice arrangements.

D2 ATTRACTION AND RETENTION INCENTIVES

- D2.1 In some special circumstances it may be necessary for the head of service to determine that an employee or group of employees who are covered by this Agreement and who occupy certain positions should be provided with attraction and retention incentives that may differ from some of the terms and conditions under this Agreement.
- D2.2 The framework under which attraction and retention incentives may apply during the life of this Agreement is set out in Annex B of this Agreement.

D3 CLASSIFICATION/WORK VALUE REVIEW

- D3.1 An employee, or a group of employees, or the union(s) or other employee representatives, may present a case to request the head of service to undertake a classification/work value review of a position or group of positions.
- D3.2 Where the head of service agrees to such a request the head of service will undertake the review in consultation with the employee(s) and the union(s) or other employee representatives.
- D3.3 Where agreement cannot be reached on the need to conduct the review then the disagreement may be resolved in accordance with the dispute resolution procedure.
- D3.4 Any classification/work value review will take into account market and other relevant comparators, including comparators that are considered pertinent to the skills, competencies and general responsibilities required of the position(s).
- D3.5 These provisions do not affect the right of the head of service to undertake a classification/work value review at the initiative of the head of service.

D4 SUPPORTED WAGE SYSTEM

- D4.1 Employees who are assessed as eligible to receive a supported wage under subclause D4.2 are to be paid the percentage of pay that corresponds to the employee's assessed productive capacity and the class of work which the person is performing, provided that the minimum amount payable is not to be less than 10% of the second adult point of the ASO 1 pay range per week.
- D4.2 The ACTPS will arrange for an assessment of the productive capacity of an employee in accordance with the processes contained in the National Minimum Wage Order issued annually by the FWC, except that the minimum rate payable will be as set out in clause D4.1.

D5 OVERPAYMENTS

- D5.1 An overpayment is any payment in respect of pay, allowance or leave, whether the overpayment is by accident or otherwise, to which the employee is not entitled.

- D5.5 Any such agreement may include recovery of the overpayment by the ACTPS:
- a) as a lump sum; or
 - b) by payroll deduction from pay.
- D5.6 In respect to recovery action it may be agreed with the employee to adjust their leave credits instead of, or in combination with, a cash recovery.
- D5.7 Where the head of service and the employee cannot agree a reasonable recovery rate, the overpayment will be recovered at the rate of up to 10% of the employee's gross fortnightly pay, or such other rate determined by the head of service having regard for all of the circumstances.
- D5.8 Despite subclauses D5.4 and D5.7, the recovery period will not usually exceed twenty six pay periods.
- D5.9 Despite subclauses D5.4 and D5.7, where an employee has applied for leave without pay or leave at reduced pay with insufficient notice to allow pay adjustments to occur during the period of leave, the salary adjustment will be made to the next available pay, unless there are extenuating circumstances, and the employee will be notified of such an adjustment.

- D5.10 Any outstanding money owing to the ACTPS when an employee ceases employment is to be recovered by deduction from any final entitlements payable to the employee.
- D5.11 If a debt still exists further debt recovery action is to be taken unless the head of service:
- a) directs the recovery be waived, in part or in full, based on evidence provided by the employee of exceptional circumstance or that such recovery would cause undue hardship; or
 - b) determines that an overpayment is not recoverable.
- D5.12 Where the head of service determines that an overpayment is not recoverable, the provisions of the relevant directorate's Financial Instructions, relating to the waiver and write off of monies, will apply.

D6 UNDERPAYMENTS

- D6.1 Where the head of service agrees that an employee has been underpaid on the employee's ordinary hourly rate of pay, and the employee requests, an offline payment for the amount owing will be made to the employee within three working days of the head of service receiving the request.
- D6.2 Where a shift penalty, overtime payment or higher duties allowance is not made within two pay periods of the appropriate authorisation having been received by the relevant corporate area, and the employee requests, an offline payment for the amount owing will be made to the employee within three working days of the head of service receiving the request.

Section E - Flexible Working Arrangements and Employee Support

E1 WORK AND LIFE BALANCE

- E1.1 The ACTPS is committed to the concept of work and life balance and recognises the importance of employees balancing work and personal life.
- E1.2 All employees have commitments outside the workplace. These commitments may relate to family, to the community and to general health and wellbeing. Given the diverse nature of the workforce in the ACT Public Service, it is recognised that employees have different needs at different times.
- E1.3 The ACTPS recognises the need to provide sufficient support and flexibility at the workplace to assist employees in achieving work and life balance. While family friendly initiatives are important aspects of work and life balance, it is also important that all employees, at all stages in the employees' working lives, are supported through this Agreement.

E2 REQUEST FOR FLEXIBLE WORKING ARRANGEMENTS

- E2.1 In addition to the circumstances provided at clauses E2.2 and E3, an employee may apply as per subclause E2.3 to their manager/supervisor for flexible working arrangements to support their work and life balance. The manager/supervisor will respond to the employee's request as per subclauses E2.4 – E2.6.
- E2.2 Notwithstanding the entitlement under E2.1, an employee may request flexible working arrangements, in accordance with the FW Act, in the following circumstances. The employee:
- a) has a parental or other caring responsibility for a child of school age or younger; or
 - b) has a caring responsibility for an individual with a disability, a terminal or chronic medical condition, mental illness or is frail and aged; or
 - c) has a disability; or
 - d) is over the age of 55; or
 - e) is experiencing domestic violence; or
 - f) is providing personal care, support and assistance to a member of their immediate family or household because they are experiencing domestic violence.
- E2.3 The request by the employee must set out, in writing, the details of the change sought and the reasons for that change.
- E2.4 The manager/supervisor must respond to the request in writing within twenty-one days, providing the reasons for their decision.
- E2.5 The manager/supervisor will only deny an employee's request for variation to workplace arrangements provided under this Agreement where there are operational reasons for doing so.
- E2.6 Where a request is not approved the manager/supervisor will consult with the employee to determine mutually convenient alternative arrangements.

E3 EMPLOYEES WITH CARING RESPONSIBILITIES

- E3.1 Carers are employees who provide, in addition to the employees' normal family responsibilities, care and support on a regular basis to other family members or other persons who are sick or ageing, have an injury, have a physical or mental illness, or a disability.
- E3.2 Family members may include children, brothers or sisters, domestic partner, parents, grandparents and close relatives. In some cases, employees may be responsible for providing care to a neighbour or a friend who has no one to assist with day-to-day care.
- E3.3 The ACTPS recognises that carer responsibilities vary considerably, depending on the level of care and assistance required and may be suddenly imposed, or may increase gradually. The ACTPS also recognises that, generally, employees are able to provide care and assistance outside normal working hours. However, there are times that employees are required to provide more support or assistance because of illness, injury or disability.
- E3.4 To assist employees in balancing work and carer responsibilities, and to clarify the entitlement at sub-clause E2.2 (b), flexible working and leave arrangements are provided in this Agreement. Examples of these flexible working and leave arrangements include, but are not limited to:
- a) flexible starting and finishing times;
 - b) ability to take a few hours off work, and make it up later;
 - c) access to breast feeding facilities;
 - d) access to personal leave for caring purposes for members of immediate family or household;
 - e) home based work on a short or long term basis;
 - f) part-time work;
 - g) job sharing;
 - h) purchased leave;
 - i) annual leave;
 - j) long service leave;
 - k) leave without pay; and
 - l) leave not provided for elsewhere.
- E3.5 Access to the leave entitlements listed in subclause E3.4 is as provided for in this Agreement.

E4 MANAGEMENT OF EXCESSIVE HOURS

- E4.1 The ACTPS recognises the importance of employees balancing work and personal life. The appropriate balance is a critical element in developing and maintaining healthy and productive workplaces. While it is acknowledged that peak workload periods may necessitate some extra hours being worked by some employees, this should be regarded as the exception rather than the rule. This subclause should be read in conjunction with subclause B7.2 and F23.

- E4.2 Managers, supervisors and employees have a responsibility to minimise the extent to which excessive hours are worked. In the circumstances where work pressures result in the employee being required to work, or is likely to work, excessive hours over a significant period, the manager, supervisor and employee together must review workloads and priorities and determine appropriate strategies to address the situation. In doing so, the manager or supervisor will consider and implement one or more of the following strategies to reduce the amount of excessive hours being accumulated:
- a) review of workloads and priorities;
 - b) re-allocation of resources;
 - c) consideration of appropriate arrangements for time off in lieu or other recompense;
 - d) review staffing levels and/or classifications within the work group.
- E4.3 The head of service will consult with DCC's about the development and implementation of appropriate strategies to deal with issues associated with both paid and unpaid overtime.

E5 REGULAR PART-TIME EMPLOYMENT

- E5.1 A person may be employed in any classification as a part-time officer for an agreed number of regular hours that is less than the ordinary weekly hours specified in this Agreement for that relevant classification over a four-week period.
- E5.2 Proposals to reduce hours below full-time employment may be initiated by the head of service for operational reasons or by an officer for personal reasons.
- E5.3 Where an officer initiates a proposal the head of service will have regard to the personal reasons put by the officer in support of the proposal and to their business unit's operational requirements.
- E5.4 The head of service will obtain the written agreement of a full-time officer before the officer converts to part-time.
- E5.5 No pressure will be exerted on full-time officers to convert to part-time employment or to transfer to another position to make way for part-time employment.
- E5.6 The agreed period, pattern of hours and days and commencement and cessation times for part-time work will be agreed between the officer and the officer's manager/supervisor and recorded in writing.

Variation to Part-Time Hours

- E5.7 Proposals to vary a part-time employment arrangement may be initiated by the head of service for operational reasons or by an officer for personal reasons.
- E5.8 Where an officer initiates a proposal the head of service will, have regard to the personal reasons put by the officer in support of the proposal and to their business unit's operational requirements.
- E5.9 The head of service will obtain the written agreement of the officer before the officer's hours are varied.
- E5.10 No pressure will be exerted on a full-time officer to vary the officer's part-time employment or to transfer to another position to make way for part-time employment.

- E5.11 The agreed period, pattern of hours and days and commencement and cessation times for part-time work will be agreed between the officer and the officer's manager/supervisor and recorded in writing.

E6 JOB SHARING

- E6.1 In this clause employee refers to employees other than casual employees.
- E6.2 Job sharing arrangements may be introduced by agreement between the head of service and the employee involved, subject to operational requirements. Employees working under job sharing arrangements share one full-time job and will be considered to be part-time with each working part-time on a regular, continuing basis.
- E6.3 A full-time employee must request in writing permission to work in a job sharing arrangement. The head of service will agree to reasonable requests for regular job sharing arrangements, subject to operational requirements.
- E6.4 The pattern of hours for the job sharing arrangement will be agreed between the employee and the head of service. However, any single attendance at the office-based worksite will be for not less than three consecutive hours.
- E6.5 The employee who is in a job sharing arrangement and who was previously working full-time may revert to full-time employment before the expiry of the agreed period of job sharing if all parties to the arrangement agree.
- E6.6 In the event that either employee ceases to participate in the job sharing arrangement, the arrangement will terminate.

E7 PART TIME EMPLOYMENT FOLLOWING MATERNITY LEAVE, PRIMARY CAREGIVER LEAVE, ADOPTION OR PERMANENT CARE LEAVE OR PARENTAL LEAVE

- E7.1 Subject to this clause, the head of service will approve an application by an officer employed on a full-time basis who returns to work after accessing maternity leave, primary caregiver leave, adoption or permanent care leave or parental leave, to work on a part-time basis for a period of up to three years from the birth, adoption of a child or granting of parental responsibility of a foster child.
- E7.2 An application by an officer to access part-time work under this clause will only be approved where the officer agrees, where necessary, to become unattached.
- E7.3 The maximum aggregate period of part-time employment that may be approved for an officer under subclause E7.1 is seven years.
- E7.4 Either the officer who accesses primary care giver leave under clause F16, or adoption and permanent care leave under clause F20, or the mother who is entitled to or accesses maternity leave under clause F14 will be entitled to access part-time employment as provided in subclause E7.1.
- E7.5 The agreed period, pattern of hours and days and commencement and cessation times for part-time work will be agreed between the officer and the officer's manager/supervisor and recorded in writing.

E8 HOME BASED WORK

- E8.1 The diverse nature of work conducted in the ACTPS lends itself to a range of working environments. From time to time workplaces will include work undertaken in the field and in the home.
- E8.2 Home-based work, on a regular basis, is a voluntary arrangement that requires the agreement of both the head of service and the employee. The head of service will consider requests by employees for home based work, having regard to operational requirements and the suitability of the work.
- E8.3 In determining appropriate home based work arrangements, the head of service and employees will consider a range of matters, including:
- a) appropriate and effective communication with office based employees;
 - b) the need to ensure adequate interaction with colleagues;
 - c) the nature of the job and operational requirements;
 - d) privacy and security considerations;
 - e) health and safety considerations;
 - f) the effect on clients; and
 - g) adequate performance monitoring arrangements.
- E8.4 Home based work arrangements may be terminated by the head of service on the basis of operational requirements, inefficiency of the arrangements, or failure of the employee to comply with the arrangements.
- E8.5 An employee may terminate home-based work arrangements at any time by giving reasonable notice to the head of service.
- E8.6 There may also be occasions where it is appropriate for an employee to work from home on an ad hoc basis. In these circumstances, arrangements to work from home are to be negotiated on a case-by-case basis between the employee and the manager/supervisor.
- E8.7 The ACTPS will provide home computing facilities where an employee and the employee's manager/supervisor agree there is a need for such facilities. Provision of equipment by the ACTPS will be subject to occupational health and safety requirements and to an assessment of technical needs by the manager/supervisor.

E9 EMPLOYEE ASSISTANCE PROGRAM

- E9.1 As a benefit to employees, the ACTPS will provide employees and employees' immediate families with access to an independent, confidential and professional counselling service at no cost to the employee.

E10 SCHEDULING OF MEETINGS

- E10.1 To assist employees to meet the employees' personal responsibilities, where possible, all meetings in the ACTPS are to be scheduled at times that take into account those responsibilities.

E11 VACATION CHILDCARE SUBSIDY

- E11.1 This clause applies to an employee (other than a casual employee or a temporary employee who has been engaged by the ACTPS for a period of less than twelve months) with school age children who makes a timely application, with regard to work and/or rostering arrangements applying in their particular business unit, based on their accrued annual leave, purchased leave or long service leave during school holidays that is rejected. In these circumstances the head of service will make payment to the employee for each calendar year based on:
- a) fifty two dollars per day towards the cost of each school child enrolled in an accredited school holiday program;
 - b) up to a maximum of \$260 per child per five days;
 - c) up to a maximum of ten days per child per year;
 - d) up to a maximum of three children; and
 - e) reimbursement on production of a receipt.
- E11.2 An accredited school holiday program is a program approved and/or subsidised by a State, Territory or Local Government.
- E11.3 The payment will apply only on the days when the employee is at work.
- E11.4 The payment will be made regardless of the length of time the child is in the program each day, but it cannot exceed the actual cost incurred.
- E11.5 An employee whose domestic partner receives a similar benefit from the partner's employer is not eligible for the payment.

E12 FAMILY CARE COSTS

- E12.1 Where an employee is directed to work outside the employee's regular pattern of work, the head of service will authorise reimbursement to the employee by receipt for some or all of the costs of additional family care arrangements.

E13 NURSING MOTHERS

- E13.1 Employees who are breastfeeding will be provided with the facilities and support necessary to enable such employees to combine a continuation of such breastfeeding with the employee's employment.
- E13.2 Where practicable the Directorate will establish and maintain a room for nursing mothers. Where there is no room available another appropriate space may be used.
- E13.3 Up to one hour, per day/shift, paid lactation breaks that are non-cumulative will be available for nursing mothers.

- E14.1 This clause does not apply to casual employees.
- E14.2 A medically unfit employee is an employee who is considered by the head of service, in accordance with paragraph (a), sub-section 143(1) of the PSM Act, to be an employee who is unable to perform duties appropriate to the employee's classification because of physical or mental incapacity.

- E14.3 Despite the provisions of sub-section 56(3) and 65(1) of the PSM Act, a medically unfit employee may, by agreement with the employee, be transferred to any position within the employee's current skill level and experience, the classification of which has a maximum pay which does not vary from the top increment of the employee's classification by more or less than 10%.
- E14.4 An employee will not be redeployed in accordance with subclause E14.3 unless there is no suitable vacant position at the employee's substantive classification within their Directorate.
- E14.5 In considering any proposed transfer under this clause, the employee may be represented by the union or other employee representative.

E15 TRANSFER TO A SAFE JOB DURING PREGNANCY

Purpose

- E15.1 This clause provides arrangements to enable a pregnant employee to be transferred to an appropriate safe job during their pregnancy or enable them to be absent from their workplace if an appropriate safe job is not available.

Eligibility

- E15.2 In accordance with the National Employment Standards of the FW Act (NES), this clause applies to pregnant employees when they:
- a) have given at least ten weeks notice, or where that is not practical have as soon as practical given notice, that they will be applying for maternity leave; and
 - b) provide evidence from a registered health professional or registered medical professional to the head of service that they are fit for work but that it is inadvisable for her to continue in her present position during a stated period because of illness or risks arising out of her pregnancy or hazards connected with that position.
- E15.3 In these circumstances, the employee is entitled to be transferred to an appropriate safe job for the stated period with no detriment to her current terms and conditions of employment.

Paid Absence for 'No Safe Job' Purposes

- E15.4 If an appropriate safe job is not available, and when the employee has completed twelve months of continuous service, the employee is entitled to take paid absence for 'no safe job' purposes for the stated period at a rate of payment that is the same rate as would be paid if the employee was granted personal leave. This period of paid absence will count as service for all purposes.
- E15.5 If an appropriate safe job is not available, and the employee has not completed twelve months of continuous service, the employee is entitled to take unpaid absence for 'no safe job' purposes. This period of absence will not count as service for any purposes but will not break continuity of service.
- E15.6 The employee's entitlements under this clause cease when the employee's pregnancy ends before the end of the stated period.

E16 AMBULANCE SERVICE CHARGES

- E16.1 Employees will be exempted from the payment of all charges that may be rendered by the ACTAS for the provision of ambulance services to the employee or to the employee's domestic partner and dependent children.

Section F - Leave

F1 PART TIME EMPLOYEES

- F1.1 Part time employees are credited and debited leave on a pro-rata basis.

F2 NON-APPROVAL OF LEAVE

- F2.1 Where a request is not approved the head of service will, if so requested in writing by the employee, provide the reasons for that decision to the employee in writing. Where a request is not approved the head of service will consult with the employee to determine mutually convenient alternative arrangements.

F3 LEAVE BELOW ONE DAY

- F3.1 Employees with access to flextime (or TOIL) will use flextime (or TOIL) for all absences of less than one day wherever practicable; however personal leave may still be accessed for these absences.

F4 PERSONAL LEAVE

Purpose

- F4.1 Personal leave is available to employees to enable them to be absent from duty:
- a) because the employee is unfit for work because of a personal illness, or personal injury;
 - b) to provide care or support to a member of the employee's immediate family, or a member of the employee's household, who is ill or injured;
 - c) in extraordinary and unforeseen circumstances.
- F4.2 Personal leave supports the Territory's commitment to a healthy workplace and workforce.

Eligibility

- F4.3 Personal leave is available to employees other than casual employees.

Entitlement

- F4.4 An employee may be granted personal leave up to their available credit from the first day of service.
- F4.5 Personal leave is cumulative and there is no cap on the personal leave balance an employee may accrue.
- F4.6 On engagement under the PSM Act, employees who have prior service recognised for personal leave purposes will be credited with any personal leave balance accrued with the previous employer. On the employee's normal accrual date, the employee will then receive personal leave in accordance with subclause F4.14 or, following the implementation of daily accrual, the employee will receive personal leave in accordance with subclause F4.11.
- F4.7 If a person is retired from the Service on grounds of invalidity, and is re-appointed as a result of action taken under the *Superannuation Act 1976* or the *Superannuation Act 1990*, they are entitled to be re-credited with unused personal leave credit held prior to the invalidity retirement.

- F4.8 Except for a short term temporary employee and an employee to whom subclause F4.6 applies, an employee's personal leave balance will be credited with an equivalent of 3.6 weeks of personal leave on the day they commence with the Territory.

Daily Accrual implementation

- F4.9 The ACTPS will move to daily accrual of personal leave as soon as the HR system can be reconfigured. The head of service will consult with ACTPS staff, unions and other employee representatives to facilitate the transition to daily accrual. This consultation will occur prior to the reconfiguration of the HR system.
- F4.10 To avoid doubt, following the implementation of daily accrual of personal leave in accordance with subclause F4.9, subclauses F4.14, F4.15, F4.28 and F4.38 will cease to operate and subclause F4.6 will operate only as it relates to the daily accrual of personal leave and the recognition of prior service.
- F4.11 Despite subclause F4.8, from the day of commencement, an employee's personal leave accrues on a daily basis according to the formula set out below:
- $(A \times B \times D) / C$ = total hours of leave accrued per day, where:
- A = number of ordinary hours per week worked; and
- B = one where the day counts as service or zero where the day does not count as service;
- C = number of calendar days in the year; and
- D = number of weeks of personal leave an employee is entitled to a year (i.e. 3.6 weeks).
- F4.12 The accrual calculated in subclause F4.11 will be credited to the employee progressively on a fortnightly basis.

Until Daily Accrual is Implemented

- F4.13 Until daily accrual is implemented the provisions contained in subclauses F4.14, F4.15, F4.28 and F4.38 will apply.
- F4.14 An additional credit of 3.6 weeks personal leave will be made on the anniversary of the employee's commencement during each year of service.
- F4.15 The accrual date for personal leave will be deferred by one day for every calendar day of unauthorised absence or leave without pay that does not count for service.
- F4.16 A part-time officer or part-time temporary employee will accrue personal leave calculated on a pro-rata basis.

Short-term Temporary Employees

- F4.17 Until daily accrual of personal leave is implemented, the provisions contained in subclauses F4.18 to F4.20 will apply to short term temporary employees. To avoid doubt, subclauses F4.18 to F4.20 will cease to operate from the date of implementation of daily accrual of personal leave in accordance with subclause F4.9.
- F4.18 A short term temporary employee will be credited with one week of personal leave after four weeks continuous service and 0.2 weeks of personal leave for each subsequent four weeks of continuous service up to a maximum of two weeks in the employee's first twelve months of service.

- F4.19 After twelve months continuous service short-term temporary employees will receive 5.2 weeks of personal leave with pay. For every subsequent twelve months of service, short-term temporary employees will receive personal leave in accordance with subclause F4.14.
- F4.20 A short-term temporary employee subsequently appointed under the PSM Act prior to completing twelve months service will have their personal leave balance brought up to the equivalent of 3.6 weeks, less any personal leave with pay granted under sub-clause F4.4. For subsequent accruals that short-term temporary employee will receive personal leave on the same basis as an officer on the anniversary of the commencement of their employment.
- F4.21 The provisions contained in subclauses F4.22 to F4.26 will apply to the accrual of personal leave by short term temporary employees from the date of implementation of daily accrual.
- F4.22 All short-term temporary employees will accrue personal leave in accordance with the formula set out in subclause F4.11 from the date of implementation of daily accrual.
- F4.23 All short-term temporary employees who commence employment with the Territory on or after the date of implementation of daily accrual of personal leave will be credited with the equivalent of one week of personal leave on their date of commencement.
- F4.24 All short-term temporary employees who have been employed by the Territory for a period of less than four weeks continuous service as at the date of implementation of daily accrual of personal leave will be credited with the equivalent of one week of personal leave on the date of implementation of daily accrual.
- F4.25 Upon completion of twelve months continuous employment with the Territory short term temporary employees will have their personal leave balance brought up to the equivalent of 3.6 weeks, less any personal leave with pay granted under subclause F4.4 during the twelve months. The 3.6 weeks is in addition to any personal leave accrued under subclause F4.22.
- F4.26 A short term temporary employee who is appointed under the PSM Act prior to completing twelve months continuous employment with the Territory will have their personal leave balance brought up to the equivalent of 3.6 weeks, less any personal leave with pay granted under subclause F4.4. The 3.6 weeks is in addition to any personal leave accrued under subclause F4.22.

When Personal Leave Credits Have Been Exhausted

- F4.27 Where personal leave credits have been exhausted, the head of service may grant an employee a period of unpaid personal leave for personal illness or injury or for the care of a member of the employee's immediate family or household who is sick.

NOTE: In such circumstances, alternative arrangements are provided for at subclause F4.58.

- F4.28 Despite subclause F4.27, the head of service may allow an officer, in the first ten years of service, when the officer provides documentary evidence that the officer has a personal illness or injury, to anticipate up to a maximum of 3.6 weeks paid personal leave where all full pay personal leave credits are exhausted.
- F4.29 Temporary employees may be granted up to an aggregate of twenty days without pay in the first twelve months.
- F4.30 The head of service may, when a personal illness or injury poses a serious threat to the employee's life, grant an officer an additional period of paid personal leave for personal illness or injury. This leave may be at either full or half pay. Such leave will not be granted if the absence is due to a condition for which the officer is receiving compensation under the *Safety, Rehabilitation and Compensation Act 1988*.

Other Provisions

- F4.31 An employee in receipt of workers compensation for more than forty five weeks will accrue personal leave on the basis of hours actually worked.
- F4.32 Unused personal leave credit will not be paid out on cessation of employment.

Evidence and Conditions

- F4.33 An employee must give notice of the intention to take personal leave. The notice must be provided to their manager/supervisor as soon as practicable (which in the case of personal illness or injury may be a time immediately after the leave has commenced) and must advise the duration, or expected duration, of the leave.
- F4.34 The head of service may grant personal leave if they are satisfied there is sufficient cause, having considered any requested or required documentary evidence.
- F4.35 An employee must provide requested or required documentary evidence in a timely manner. To unduly withhold the provision of documentary evidence may result in the personal leave application not being approved for payment.
- F4.36 The head of service will accept the following documentary evidence as proof of personal illness or injury or the need to care for a member of the employee's immediate family or household who is sick:
- a) a certificate from a registered medical practitioner or registered health professional who is operating within their scope of practice; or
 - b) a statutory declaration made by the employee if it is not reasonably practicable for the employee to give the head of service a certificate.
- F4.37 Applications for personal leave requiring an employee to care for a member of the employee's immediate family or household who is sick will need any required documentary evidence to clearly state the caring requirement.
- F4.38 If documentary evidence is not produced when an employee applies for leave, the head of service may grant personal leave up to three consecutive working days with pay, to a maximum of seven working days in any accrual year. Absences for personal leave without documentary evidence in excess of three consecutive days, or seven days in any accrual year will be without pay.
- F4.39 Following the implementation of daily accrual of personal leave, the head of service may grant up to three consecutive working days personal leave with pay without documentary evidence, to a maximum of seven working days in a calendar year. Absences for personal leave without documentary evidence in excess of three consecutive days, or seven days in a calendar year will be without pay.
- F4.40 The head of service may, with reasonable cause, request the employee to provide a medical certificate from a registered medical practitioner or a statutory declaration for any absence from duty on personal leave at the time of notification of the absence.
- F4.41 Paid personal leave may be granted up to an employee's available personal leave credit.
- F4.42 Subject to the production of documentary evidence, the head of service may grant an employee further absence for personal illness or injury provided the additional period of personal leave is granted without pay. However, any such leave without pay that goes beyond a maximum continuous period of combined paid and unpaid personal leave of 78 weeks will not count as service for any purpose.

- F4.43 The head of service must not grant personal leave for an absence caused by the misconduct of the employee. The head of service may determine that an absence caused by the misconduct does not count as service for any purpose.
- F4.44 The head of service must approve an application for up to five days of personal leave applied for in conjunction with a period of bonding leave.
- F4.45 The head of service may refer an employee for a medical examination by a nominated registered medical practitioner or registered health professional, or nominated panel of registered medical practitioners or registered health professionals, at any time for reasons including where:
- a) the head of service is concerned about the wellbeing of an employee and considers that the health of the employee is affecting, or has a reasonable expectation that it may affect, the employee's ability to adequately perform their duties;
 - b) the head of service considers that documentary evidence supplied in support of an absence due to personal illness or injury is inadequate; or
 - c) the employee has been absent on account of illness for a total of thirteen weeks in any twenty six week period.
- F4.46 The head of service may require the employee to take personal leave after considering the results of a medical examination requested by the head of service.

Rate of Payment

- F4.47 Personal leave will be granted with pay except where it is granted without pay under subclauses:
- a) F4.27; or
 - b) F4.29; or
 - c) F4.42
- F4.48 Subject to the approval of the head of service, an employee may request to use personal leave at half pay for absences of at least one week. Such absences will be deducted from the employee's accrued credits at a rate of 50% of the period of absence.
- F4.49 Any personal leave taken must be deducted from the employee's credit.

Effect on Other Entitlements

- F4.50 Personal leave with pay will count as service for all purposes.
- F4.51 Personal leave without pay, other than provided for at subclause F4.42, will count as service for all purposes.
- F4.52 Where an employee is absent on paid personal leave and a public holiday for which the employee is entitled to be paid falls within that period of absence:
- a) the employee will be paid as a normal public holiday for that day; and
 - b) the public holiday will not be deducted from the employee's personal leave credits.
- F4.53 While personal leave will not be deducted over the Christmas shutdown period, the Christmas shutdown does not break continuity of the period of absence in relation to the maximum period/s of leave under subclause F4.42.

Access to Other Leave Entitlements

F4.54 An employee who suffers personal illness or injury, or cares for a member of the employee's immediate family or household who is sick, for one day or longer while on:

- a) annual leave; or
- b) purchased leave; or
- c) long service leave; or
- d) unpaid maternity leave; or
- e) unpaid parental leave; or
- f) grandparental leave; or
- g) accrued day off; and

who produces a certificate from a registered health professional operating within their scope of practice, may apply for personal leave.

F4.55 Where an employee is on a form of leave specified in subclauses F4.54 and:

- a) the employee is subsequently granted personal leave in accordance with subclause F4.54; and
- b) the personal leave falls within a part or all of the period of the other form of leave

then that other leave will be re-credited for that period of the personal leave that falls within the period of the other leave.

F4.56 An employee cannot access paid personal leave while on paid maternity leave, or primary care giver's leave, or adoption or permanent care leave, but can apply for personal leave during unpaid maternity leave or parental leave.

F4.57 If the employee has exhausted all paid personal leave, personal leave without pay cannot be substituted for unpaid maternity leave.

F4.58 If an ill or injured employee exhausts the employee's paid personal leave entitlement and produces documentary evidence, as per subclause F4.36, as evidence of continuing personal illness or injury, the employee may apply to the head of service for approval to take annual leave or long service leave. If approved, this leave will not break the continuity of the 78 weeks under subclause F4.42.

F5 PERSONAL LEAVE IN EXTRAORDINARY AND UNFORESEEN CIRCUMSTANCES

F5.1 Employees, other than casual employees, are eligible to personal leave in extraordinary and unforeseen circumstances.

F5.2 Personal leave in extraordinary and unforeseen circumstances, is non-cumulative and if granted is deducted from the employees personal leave balance.

F5.3 The head of service may grant a maximum of four days of personal leave, other than for personal illness or the care of the employee's immediate household who is sick, in an accrual year, in extraordinary, unforeseen or unexpected circumstances and where it is essential that the employee have leave from the workplace. These four days are in addition to the seven days personal leave without documentary evidence.

- F5.4 While personal leave in extraordinary and unforeseen circumstances does not normally require documentary evidence, the head of service may request reasonable evidence before granting the leave.
- F5.5 Personal leave in extraordinary and unforeseen circumstances will be granted with pay.

F6 INFECTIOUS DISEASE CIRCUMSTANCES

- F6.1 Where an employee is prevented from attending for duty under the *Public Health Act 1997*, the head of service may grant that employee personal leave during that period.
- F6.2 The employee may also apply for the absence or a part of it to be deducted from their annual leave credit.

F7 ANNUAL LEAVE

Purpose

- F7.1 Annual leave is available to employees to enable them to be absent from duty for the purposes of rest and recreation.

Eligibility

- F7.2 Annual leave is available to employees other than casual employees.

Entitlement

- F7.3 An employee may be granted annual leave up to their available credit from the first day of service.
- F7.4 Annual leave is cumulative.
- F7.5 An employee's annual leave credit accrues on a daily basis according to the formula set out below:

$(A \times B \times D) / C$ = total hours of leave accrued per day, where:

A = number of ordinary hours per week worked; and

B = one where the day counts as service or zero where the day does not count as service or is an unauthorised absence;

C = number of calendar days in the year; and

D = number of weeks of annual leave an employee is entitled to a year.

- F7.6 For the purpose of subclause F7.5 the basic leave entitlement is:
- a) in the case of 36.75 hour workers, 147 hours annual leave for each full year worked; or
 - b) in the case of 38 hour workers, 152 hours annual leave for each full year worked.
- F7.7 Shift workers who are regularly rostered to work on Sunday and work at least ten Sundays in a year will be entitled to an additional five days of paid annual leave per year.
- F7.8 Shift workers rostered to work on less than ten Sundays during which annual leave will accrue will be entitled to additional annual leave at the rate of one tenth of a working week for each Sunday so rostered.

- F7.9 If an employee moves from one ACTPS directorate to another, annual leave accrued with the first directorate will transfer to the second directorate.
- F7.10 An annual leave credit does not accrue to an employee if the employee is absent from duty on leave for specified defence service, or full-time defence service. If the employee resumes duty after a period of specified defence service, annual leave will accrue from the date the employee resumes duty.
- F7.11 Employees will receive payment on separation from the ACTPS of any unused annual leave entitlement.

Evidence and Conditions

- F7.12 Employees are encouraged to use their annual leave in the year that it accrues, and to this end should discuss their leave intentions with their manager/supervisor as soon as practicable.
- F7.13 An employee must make an application to the head of service to access their annual leave entitlement.
- F7.14 Having considered the requirements of this clause the head of service may approve an employee's application to access annual leave.
- F7.15 The head of service should approve an employee's application to take annual leave, subject to operational requirements.
- F7.16 If the head of service does not approve an employee's application for annual leave because of operational requirements, the head of service will consult with the employee to determine a mutually convenient alternative time (or times) for the employee to take the leave.
- F7.17 The head of service must, unless there are exceptional operational circumstances, approve an application for annual leave if it would enable an employee to reduce their annual leave credit below two and a half years worth of accrued annual leave credit. However, in the case of exceptional operational circumstances, the head of service will consult with the employee to determine the time (or times) for the annual leave to be taken that is mutually convenient to both the administrative unit and the employee.
- F7.18 If an employee's annual leave is cancelled without reasonable notice, or an employee is recalled to duty from leave, the employee will be entitled to be reimbursed reasonable travel costs and incidental expenses not otherwise recoverable under any insurance or from any other source.
- F7.19 If the operations of the ACTPS, or part of the ACTPS, are suspended at Christmas or another holiday period, the head of service may direct an employee to take annual leave at a time that is convenient to the working of the ACTPS, whether or not an application for leave has been made. However, this does not affect any other entitlements to leave under this Agreement.
- F7.20 If an employee has the equivalent of two years' accrued credit of annual leave and unless exceptional operational circumstances exist, the employee and relevant manager/supervisor must agree, and implement an annual leave usage plan to ensure the employee's accrued leave credit will not exceed an accrued two and a half years worth of annual leave credit.
- F7.21 If an employee does not agree to a reasonable annual leave usage plan the head of service may direct an employee who has accrued two and a half years worth of accrued annual leave credit to take annual leave to the extent that the employee's annual leave credit exceeds two and a half years worth of accrued credit, subject to giving the employee one calendar month notice. This clause does not apply to an employee who is on graduated return to work following compensation leave.

F7.22 An employee who has an annual leave credit in excess of two and a half years' accrued entitlement:

- a) at the commencement of the Agreement; or
- b) on joining, or returning to, the ACTPS; or
- c) on returning to duty from compensation leave;

will have twelve months to reduce the employee's annual leave balance to two and a half years' accrued entitlement or below.

F7.23 An employee may not be directed under subclause F7.21 to take annual leave where the employee has made an application for a period of annual leave equal to or greater than the period specified in subclause F7.21 in the past six months and the application was not approved. The manager/supervisor and the employee may agree to vary an annual leave usage plan.

Rate of Payment

F7.24 Annual leave will be granted with pay.

F7.25 Payment for the annual leave will be based on the employee's ordinary hourly rate of pay, including allowances that count for all purposes for the time the leave is taken. If an employee is being paid HDA before going on paid leave and would have continued to receive HDA had they not taken leave then the employee is entitled to payment of HDA during the leave.

F7.26 Annual leave may be granted at half pay with credits to be deducted on the same basis.

Effect on Other Entitlements

F7.27 Annual leave will count as service for all purposes.

F7.28 Public holidays for which the employee is entitled to payment that fall during periods of absence on annual leave will be paid as a normal public holiday and will not be deducted from the employee's annual leave balance.

Access to other Leave Entitlements

F7.29 If personal leave is granted to the employee annual leave will be re-credited for the period of paid personal leave granted.

F7.30 Subject to the approval of the head of service, an employee who is on unpaid leave may be granted annual leave during that period, unless otherwise stated in this Agreement.

F7.31 If an employee is prevented from attending for duty under the *Public Health Act 1997*, the head of service may grant annual leave during that period.

Payment in Lieu of Annual Leave

F7.32 An employee may request payment in lieu of their annual leave credit subject to the following:

- a) the employee providing the head of service with a written election to do so; and
- b) the head of service authorising the election; and
- c) the employee taking at least one week of annual leave in conjunction with this entitlement or the employee has taken at least one week of annual leave in the past six months; and
- d) the payment in lieu will not result in a reduction in the balance of an employee's remaining annual leave credit below one year's accrued entitlement.

- F7.33 Payment in lieu of annual leave will be based on the employee's ordinary hourly rate of pay, including allowances that count for all purposes at the date of application. The payment in lieu will be based on the pay that the employee would have received for a notional period of leave equal to the credit being paid in lieu on the day the application is made.

F8 ANNUAL LEAVE LOADING

Purpose

- F8.1 Annual leave loading is available to employees to provide monetary assistance while they are on annual leave.

Eligibility

- F8.2 Employees who accrue annual leave under clause F7 are entitled to an annual leave loading. Part time employees will be paid the annual leave loading on a pro rata basis.

Entitlement

- F8.3 Where an employee's entitlement is based on paragraph F8.7 (a), the leave loading payable is subject to a maximum payment. This maximum payment is the equivalent of the Australian Bureau of Statistics' male average weekly total earnings for the May quarter of the year before the year in which the date of accrual occurs. Where the leave accrual is less than for a full year, this maximum is applied on a pro rata basis.
- F8.4 An employee whose employment ceases and who is entitled to payment of accumulated annual leave or pro rata annual leave will be paid any accrued annual leave loading not yet paid and leave loading on pro rata annual leave entitlement due on separation.

Evidence and Conditions

- F8.5 Annual leave loading accrued will be paid at such a time as the employee nominates, by making a written request to the head of service.
- F8.6 Any unpaid annual leave loading accrued by employees will be paid on the first payday in December following its accrual.

Rate of Payment

- F8.7 The amount of an employee's entitlement under subclause F8.2 will be based on whichever is the greater of the following:
- a) subject to subclause F8.3, 17.5 per cent of the employee's ordinary hourly rate of pay on 1 January multiplied by the number of hours of annual leave accrued during the preceding calendar year (excluding shift penalties); or
 - b) any shift penalties that the employee would have received had the employee not been on approved annual leave.

F9 PURCHASED LEAVE

Purpose

- F9.1 Purchased leave is available to employees to enable them to be absent from duty to support their work/life balance.

Eligibility

- F9.2 Employees, other than casual employees, are eligible to apply to purchase leave.

Entitlement

- F9.3 Employees may purchase leave in addition to the employee's usual annual leave entitlement, up to a maximum of twelve weeks in any twelve month period, subject to head of service approval.
- F9.4 An employee may apply, at any time, to the head of service for approval to participate in the purchased leave scheme.
- F9.5 The application must specify the amount of leave to be purchased in whole weeks up to a maximum of twelve weeks in any twelve month period, and the period over which the additional leave is to be acquitted.
- F9.6 Approval by the head of service for an employee to purchase and use purchased leave, is subject to both the operational requirements of the workplace and the personal responsibilities of the employee.
- F9.7 Approval to purchase additional leave will not be given where an employee has an annual leave balance of two and a half years worth of annual leave credit or more, except where the employee intends to use all excess annual leave credit before taking purchased leave.
- F9.8 Once an employee commences participation in the scheme, the employee may only opt out of the scheme before the expiration of the agreed acquittal period, where:
- a) the employee can demonstrate, in writing, that exceptional circumstances exist, such as unforeseen financial hardship, and the head of service agrees; or
 - b) the employee's employment with the ACTPS ceases before the expiration of the agreed acquittal period; or
 - c) the employee proceeds on paid maternity or primary care giver leave.
- F9.9 If an employee transfers from one ACTPS Directorate to another ACTPS Directorate during the agreed acquittal period, the employee's continuation in the purchased leave scheme will be subject to the separate approval of the head of service of the gaining Directorate. Where such approval is not given, any money owing to the employee in respect of purchased leave not taken will be refunded to the employee as soon as practicable. Any shortfall in payments will be deducted from monies owing to the employee.

Evidence and Conditions

- F9.10 An employee should discuss with their manager/supervisor, as soon practicable, their intention to be absent on purchased leave.
- F9.11 An employee must make an application to the head of service to access their purchased leave entitlement.

- F9.12 Having considered the requirements of this clause the head of service may approve an employee's application to access purchased leave. A decision not to approve the leave must be made in accordance with subclause F2.1.
- F9.13 Approval by the head of service to grant purchased leave will be subject to the operational requirements of the workplace, the personal responsibilities of the employee and appropriate periods of notice.
- F9.14 A minimum of one week of purchased leave must be taken at any one time unless the remaining balance is less than one week or the head of service is satisfied, on evidence presented, there are exceptional circumstances which warrant purchased leave being taken in shorter periods.
- F9.15 Purchased leave must be used within the agreed acquittal period, not exceeding twelve months from the date of commencement in the scheme. Purchased leave not taken within the agreed acquittal period will be forfeited and the value of the leave refunded to the employee at the end of the acquittal period.

Rate of Payment

- F9.16 While an employee is on a period of purchased leave the employee will be paid at the rate of pay used to calculate the employee's deduction.
- F9.17 Purchased leave will be paid for by a fortnightly deduction from the employee's pay over an agreed acquittal period not exceeding twelve months from the date the employee commences participation in the scheme.
- F9.18 Fortnightly deductions, from the employee's pay, will commence as soon as practicable following approval of the employee's application to participate in the purchased leave scheme. The deductions will be calculated on the employee's pay at the date of commencement of participation in the scheme, the amount of leave to be purchased and the agreed acquittal period.
- F9.19 Despite F9.18, if the employee's pay changes during the acquittal period the employee may seek approval for the deduction to be recalculated.
- F9.20 Fortnightly tax deductions will be calculated on the employee's gross pay after the deduction has been made for purchased leave.
- F9.21 Subject to subclause F9.22, allowances in the nature of pay may be included in the calculation of purchased leave payments where:

- G1.1 There should be effective consultation and employee participation in decisions that affect an employee's employment. This is essential to the successful management of change.
- G1.2 Where there are proposals by the ACTPS to introduce changes in the organisation or to existing work practices, the head of service will consult with affected employees and the union(s).
- G1.3 The head of service will provide relevant information to assist the employees and the union(s) to understand the reasons for the proposed changes and the likely impact of these changes so that the employees and union(s) are able to contribute to the decision making process.
- G1.4 For the purpose of providing effective consultation:
- a) adequate time will be provided to employees and the union(s) to consult with the relevant Directorate;
 - b) Directorate Consultative Committees (DCC) will be established, with membership to be agreed by the head of service and the union(s) following commencement of this Agreement; and
 - c) additional levels of consultation, such as the ACTAS Workplace Consultative Committee (WCC) will be established with the agreement of the DCC to operate at the local level. These levels of consultation will deal with workplace specific issues before such issues may be raised with the DCC and have membership agreed by the DCC.
- G1.5 A DCC will:
- a) monitor the operation and implementation of this Agreement;
 - b) consider any proposed new or proposed significant changes to Directorate policy statements and guidelines that relate to the provisions of this Agreement; and
 - c) exchange information about workplace issues affecting employees; and
 - d) consult on any existing performance management schemes, and on the development of any new performance management schemes, in the Directorate;
 - e) meet at least quarterly, unless otherwise agreed; and
 - f) have terms of reference agreed to by the members of the DCC.
- G1.6 The Chief Minister, Treasury and Economic Development Directorate will consult with the union(s) and employees prior to the finalisation of any significant changes or any new provisions in the PSM Act and the PSM Standards and any new service wide policy statements or guidelines that relate to the provisions of this Agreement.

Consultation on Changes to Regular Rosters or Ordinary Hours of Work

- G1.7 Where the ACTPS proposes to introduce a change to the regular roster or ordinary hours of work of employees, the following will apply:
- a) the head of service must notify the relevant employees of the proposed change;
 - b) the head of service must recognise the affected employee(s) union or other representative;
 - c) as soon as practicable after proposing to introduce the change, the head of service must:
 - i. discuss with the relevant employees the introduction of the change; and
 - ii. for the purposes of the discussion, provide to the relevant employees:
 - all relevant information about the change, including the nature of the change; and
 - information about what the head of service reasonably believes will be the effects of the change on the employees; and
 - information about any other matters that the head of service reasonably believes are likely to affect the employees; and
 - iii. invite the relevant employees to give their views about the impact of the change (including any impact in relation to their family or caring responsibilities).
- G1.8 However, the head of service is not required to disclose confidential or commercially sensitive information to the relevant employees.
- G1.9 The head of service must give prompt and genuine consideration to matters raised about the change by the relevant employees.
- G1.10 These provisions are to be read in conjunction with other consultative obligations detailed in the Agreement.
- Note: In this term "**relevant employees**" means the employees who may be affected by a change referred to in subclause G1.7.
- G1.11 In addition, the employer undertakes that, for the purposes of subclause G1.2, the head of service will recognise and consult with the affected employee(s), their union or other representative.

G2 DISPUTE AVOIDANCE/SETTLEMENT PROCEDURES

- G2.1 The objective of these procedures is the prevention and resolution of disputes about:
- a) matters arising in the workplace, including disputes about the interpretation or implementation of the Agreement; and
 - b) the application of the National Employment Standards.
- G2.2 For the purposes of this clause, except where the contrary intention appears, the term 'parties' refers to 'parties to the dispute'.
- G2.3 All persons covered by this Agreement agree to take reasonable internal steps to prevent, and explore all avenues to seek resolution of, disputes.
- G2.4 An employee who is a party to the dispute may appoint a representative, which may be a relevant union, for the purposes of the procedures of this clause.

- G2.5 In the event there is a dispute, the following processes will apply.
- G2.6 Where appropriate, the relevant employee or the employee's representative will discuss the matter with the employee's supervisor. Should the dispute not be resolved, it will proceed to the appropriate management level for resolution.
- G2.7 In instances where the dispute remains unresolved, the next appropriate level of management, the employee, the union or other employee representative will be notified and a meeting will be arranged at which a course of action for resolution of the dispute will be discussed.
- G2.8 If the dispute remains unresolved after this procedure, a party to the dispute may refer the matter to the FWC.
- G2.9 The FWC may deal with the dispute in two stages:
- a) the FWC will first attempt to resolve the dispute as it considers appropriate, including by mediation, conciliation, expressing an opinion or making a recommendation; and
 - b) if the FWC is unable to resolve the dispute at this first stage, the FWC may then:
 - i. arbitrate the dispute; and
 - ii. make a determination that is binding on the parties.
- G2.10 The FWC may exercise any powers it has under the FW Act as are necessary for the just resolution or determination of the dispute.
- G2.11 A person may be assisted and represented at any stage in the dispute process in the FWC on the same basis as applies to representation before the FWC under section 596 of the FW Act.
- G2.12 All persons involved in the proceedings under subclause G2.9 will participate in good faith.
- G2.13 Unless the parties agree to the contrary, the FWC will, in responding to the matter, have regard to whether a party has applied the procedures under this term and acted in good faith.
- G2.14 The parties agree to be bound by a decision made by the FWC in accordance with this clause.
- G2.15 However, any party may appeal a decision made by the FWC in accordance with the FW Act.
- G2.16 Despite the above, the parties may agree to submit the dispute to a body or person other than the FWC. Where the parties agree to submit the dispute to another body or person:
- a) all of the above provisions apply, unless the parties agree otherwise; and
 - b) references to the FWC in the above provisions will be read as a reference to the agreed body or person;
 - c) all obligations and requirements on the parties and other relevant persons under the above provisions will be complied with; and
 - d) the agreed body or person must deal with the dispute in a manner that is consistent with section 740 of the FW Act.

G2.17 While the parties are trying to resolve the dispute using procedures in this clause:

- a) an employee must continue to perform his or her work as he or she would normally unless he or she has a reasonable concern about an imminent risk to his or her health or safety; and
- b) an employee must comply with a direction given by the head of service to perform other available work at the same workplace, or at another workplace, unless:
 - i. the work is not safe; or
 - ii. applicable occupational health and safety legislation would not permit the work to be performed; or
 - iii. the work is not appropriate for the employee to perform; or
 - iv. there are other reasonable grounds for the employee to refuse to comply with the direction.

G3 FLEXIBILITY TERM

G3.1 The head of service and an individual employee may agree to vary the application of certain provisions of this Agreement to meet the particular needs of a business unit in the ACTPS and of the individual employee (an individual flexibility arrangement).

G3.2 The provisions of this Agreement that the head of service and an individual employee may agree to vary through an individual flexibility arrangement are:

- a) vacation childcare subsidy (subclause E11.1) and
- b) family care costs (subclause E12.1); and
- c) emergency duty (clause C17).

G3.3 The head of service must ensure that the terms of the individual flexibility arrangement:

- a) are about matters that would be permitted if the arrangement were an enterprise agreement;
- b) does not include a term that would be an unlawful term if the arrangement were an enterprise agreement; and
- c) will result in the employee being better off overall than the employee would have been if no individual flexibility arrangement were agreed to.

G3.4 The head of service must ensure that the individual flexibility arrangement:

- a) identifies the clause in G3.2 of this Agreement that the head of service and the employee have agreed to vary;
- b) sets out details of how the arrangement will vary the effect of the clause;
- c) includes details of how the employee will be better off overall in relation to the terms and conditions of his or her employment as a result of the arrangement; and
- d) states the day the arrangement commences.

G3.5 An individual flexibility arrangement made under this clause must be genuinely agreed to by the head of service and the individual employee.

- G3.6 Except as provided in paragraph G3.7 (b), an individual flexibility arrangement made under this clause must not include a provision that requires the individual flexibility arrangement to be approved, or consented to, by another person.
- G3.7 The head of service must ensure that an individual flexibility arrangement made under this clause must be in writing and signed:
- a) in all cases - by the employee and the head of service; and
 - b) if the employee is under eighteen – by a parent or guardian of the employee.
- G3.8 The head of service must give the employee a copy of an individual flexibility arrangement made under this clause within fourteen days after it is agreed to.
- G3.9 The head of service or the employee may terminate the individual flexibility arrangement:
- a) by giving written notice of no more than twenty eight days to the other party to the arrangement; or
 - b) if the head of service and the employee agree in writing – at any time.
- G3.10 The right to make an individual flexibility arrangement under this clause is in addition to, and is not intended to otherwise affect, the right of the head of service and an individual employee to make an agreement under any other provision of this Agreement.

G4 FREEDOM OF ASSOCIATION

- G4.1 The ACTPS recognises that employees are free to choose whether or not to join a union. Irrespective of that choice, employees will not be disadvantaged or discriminated against in respect of the employees' employment under this Agreement. The ACTPS recognises that employees who choose to be members of a union have the right to choose to have their industrial interests represented by the union.
- G4.2 Employees in negotiations of any kind are entitled to negotiate collectively where they so choose.
- G4.3 Employees engaging in negotiations of any kind are entitled to be represented by a representative of their choice. The ACT Government will deal with any such representative in good faith.

G5 WORK ORGANISATION

- G5.1 An employee agrees to carry out all lawful and reasonable directions of the head of service according to the requirements of the work and the employee's skill, experience and competence, in accordance with this Agreement, and without deskilling the employee.
- G5.2 An employee will not, unless this is done in the course of the employee's duties or as required by law or by the ACTPS, use or disclose to any person any confidential information about the ACTPS's business that becomes known to the employee during the employee's employment.
- G5.3 The ACTPS will not reveal to any person any medical, financial or personal details of the employee that the ACTPS may have obtained, except with the permission of the employee or where the ACTPS is under a legal obligation to do so.

G6 RIGHT OF EXISTING AND NEW EMPLOYEES TO REPRESENTATION IN THE WORKPLACE

- G6.1 The ACTPS acknowledges the rights of its employees to be represented and to meet with their representatives in the workplace. The ACTPS recognises the legitimate right of the union(s) to represent its employees who are members, or eligible to become members of the union(s).
- G6.2 The FW Act prescribes the purpose and manner under which the union(s) may exercise right of entry in the workplace. The ACTPS will grant the union(s) access in accordance with the FW Act.
- G6.3 In addition, the ACTPS will:
- a) allow union officials and employees, who are permit holders, to enter ACTPS workplaces for normal union business or to represent employees, to meet with management or members and to distribute or post material, provided that work is not disrupted;
 - b) allow the union(s) to meet with new ACTPS employees who are members, or who are eligible to become members, of the union(s), at a time during normal working hours which the union(s) and the head of service agree upon, and of which the head of service will advise the employees;
 - c) provide all new ACTPS employees with some form of induction program, including an induction package containing information about the union(s) which the union(s) has given the ACTPS; and
 - d) invite the union(s) to attend any face to face induction of new ACTPS employees, the details of which the head of service will advise to the union(s) contact officer or other nominated person with reasonable notice. Such attendance will be included as an integral part of the induction process and be for the purpose of delivering an information presentation including recruitment information to new ACTPS employees.
- G6.4 For the avoidance of doubt, nothing in clause G6.3 should be taken as conferring a right of entry that is contrary to, or for which there is otherwise, a right of entry under the FW Act.

G7 CO-OPERATION AND FACILITIES FOR UNIONS AND OTHER EMPLOYEE REPRESENTATIVES

- G7.1 For the purpose of ensuring that union(s) and other employee representatives who are employees of the ACTPS can effectively fulfil their employee representative role under this Agreement, the following provisions will apply.
- G7.2 Reasonable access to ACTPS facilities, including the internal courier service, access to the ACT Government communication systems, telephone, facsimile, photocopying, access to meeting rooms and storage space, will be provided to union(s) and other employee representatives to assist them to fulfil their representative obligations, duties and responsibilities having regard to the ACTPS's statutory obligations, operational requirements and resources.
- G7.3 In addition to the ACTPS facilities outlined in subclause G7.2, where available, a union or employee representative who is an employee of the ACTPS will be able to establish designated Outlook public folders which will provide a collaborative electronic workspace to improve the flow of information. The use of ACTPS facilities will be in accordance with published whole-of-government policies and for matters other than for industrial action.

- G7.4 A union or other employee representative who is an employee of the ACTPS will be provided with adequate paid time, as required by the responsibilities of the position, to undertake duties to represent employees during normal working hours. While these duties would normally be expected to be performed within the workplace, on occasions the union or employee representative may be required to conduct these duties external to the workplace.

G8 ATTENDANCE AT INDUSTRIAL RELATIONS COURSES AND SEMINARS

- G8.1 For the purpose of assisting employees in gaining a better understanding of industrial relations issues relating to this Agreement, leave will be granted to employees to attend recognised short training courses or seminars on the following conditions:
- a) that operating requirements permit the granting of leave;
 - b) that the scope, content and level of the short courses contribute to the better understanding of industrial relations issues;
 - c) leave granted under this clause will be with full pay, not including shift and penalty payments or overtime; and
 - d) each employee will not be granted more than fifteen days/shifts leave in any calendar year.
- G8.2 If the employee has applied for leave under subclause G8.1 and the application was rejected because of operational requirements, approval of any subsequent application for leave by the employee under subclause G8.1 will not be withheld unreasonably, provided that the employee gives the manager/supervisor at least fourteen days/shifts notice in writing.
- G8.3 The ACTPS will accept any short course conducted or accredited by a relevant employee organisation (for example, union(s), the Australian Council of Trade Unions or the ACT Trades and Labour Council) as a course to which subclause G8.1 applies.
- G8.4 Leave granted for this purpose will count as service for all purposes.

G9 PRIVATISATION

- G9.1 In order to promote job security of employees, it is agreed that the privatisation of a Government entity may only occur where:
- a) the entity does not perform a role central to the functions of Government; and
 - b) disadvantaged groups would not be negatively affected by the privatisation; and
 - c) a social impact statement has been completed which indicates that there is a demonstrated public benefit from the sale.
- G9.2 In the event that privatisation of an ACTPS Directorate or a service or services currently supplied by an ACTPS Directorate is under consideration, consultation will occur on the implications for employees and the relevant Directorate from these proposals.
- G9.3 Where such privatisation is under consideration, the ACTPS will provide the necessary reasonable resources to develop an in-house bid and this bid will be prepared either off site or on site as determined by the head of service and subject to consideration on equal terms to any other bid. An independent probity auditor will be appointed by the head of service to oversee the assessment of the in-house bid.

G10 SUPERANNUATION

- G10.1 The Government will, through the Chief Minister, Treasury and Economic Development Directorate, consult with unions and employees on changes to superannuation legislation that may be proposed by the Commonwealth.

G11 DEVELOPMENT AND REVIEW OF ACTAS POLICIES

- G11.1 A temporary position to support the review and development of policies specific to ACTAS will be created. This position will be filled on merit.

Section H - Workplace Values and Behaviours

H1 INTRODUCTION

- H1.1 Except where otherwise noted, this Section applies to officers, temporary employees engaged for over six months and “eligible casual employees” as defined within the dictionary. The Section does not apply to “casual employees” as defined within the dictionary, or employees on probation unless expressly stated.
- H1.2 Managers/supervisors and employees have a common interest in ensuring that workplace behaviours are consistent with, and apply the values and general principles set out in section 9 of the PSM Act 1994 and the ACT Public Service Code of Conduct and Signature Behaviours. This involves the development of an ethical and safe workplace in which managers/supervisors and employees act responsibly and are accountable for their actions and decisions.
- H1.3 The following provisions of Section H contain procedures for managing workplace behaviours that do not meet expected standards, including the management of cases of unsatisfactory work performance and misconduct.
- H1.4 These procedures for managing workplace behaviours and values must be applied in accordance with the principles of natural justice and procedural fairness, and in a manner that promotes the values and general principles of the ACTPS set out in section 9 of the PSM Act 1994.
- H1.5 Any misconduct, underperformance, internal review or appeal process under the previous enterprise agreement that is not completed as at the date of commencement of this enterprise agreement will be completed under the previous enterprise agreement. Any right of appeal from that process will also be set out in the previous enterprise agreement.

H2 PRELIMINARY ASSESSMENT

- H2.1 In cases where an allegation of inappropriate behaviour is made, the manager/supervisor will initiate a preliminary assessment process to determine whether further action is required. The manager/supervisor may inform and/or seek the assistance of an appropriate Human Resources Manager.
- H2.2 Following this process if the manager/supervisor determines that the allegations:
- a) require no further action, then no further action needs to be taken;
 - b) can be resolved through counselling, other remedial action, or assistance to the employee then the manager/supervisor will implement such action;
 - c) are better resolved through Internal Review procedures set out in this Agreement or appropriate external mechanisms the manager/supervisor will refer the matter accordingly;
 - d) relate to underperformance processes the manager/supervisor will commence an underperformance process where this is warranted;
 - e) require investigation the manager/supervisor will recommend to the head of service that the matter be investigated;
 - f) may be vexatious or knowingly false, the manager/supervisor will consider whether further action needs to be taken in relation to the person who made the allegations.

- H2.3 The manager/supervisor will inform the employee where a preliminary assessment process is commenced under subclause H2.1 if it is appropriate to do so.
- H2.4 In performing the preliminary assessment the head of service may authorise access to ACTPS information and communication technology (ICT) records including email, computer, work phone records, or building access logs if, in the opinion of the head of service, access is necessary to determine whether further action is necessary.

H3 COUNSELLING

- H3.1 Counselling may happen outside of the misconduct and underperformance processes. All parties have an obligation to participate in counselling in good faith.
- H3.2 In cases where counselling is considered to be appropriate, the employee will be invited to have a support person, who may be the employee's union or other employee representative, present at the counselling and will allow reasonable opportunity for this to be arranged.
- H3.3 The manager/supervisor or the head of service will create a formal record of the counselling which will include details about the ways in which the employee's conduct needs to change or improve and the time frames within which these changes or improvements must occur.
- H3.4 The record of the counselling will be provided to the employee and the employee given an opportunity to correct any inaccuracies and provide comments before signing the record. The employee's signature is taken as representing their full agreement that the record accurately reflects the discussion. If the employee elects not to sign the record, then details of the offer and any reasons given for refusal will be clearly noted.
- H3.5 Where the manager/supervisor or the head of service considers that the employee's conduct has not improved following counselling, an underperformance or misconduct process may be undertaken.

H4 UNDERPERFORMANCE

- H4.1 Under this clause, procedures are established for managing underperformance by an employee.
- H4.2 This clause applies to all employees, except casual employees. In applying these procedures to officers on probation, temporary employees engaged for over six months, or eligible casual employees, the head of service may determine that procedures and practices throughout clause H4 may be applied on an appropriate and proportionate basis according to the circumstances of the case, and in accordance with the principles of procedural fairness and natural justice.
- H4.3 The objectives of these procedures are to:
- a) provide advice and support to an employee whose performance is below the standard required; and
 - b) to provide a fair, prompt and transparent framework for action to be taken where an employee continues to perform below expected standard.
- H4.4 Consistent with good management practice, concerns about underperformance should be raised by the manager/supervisor with the employee at the time that the concerns arise. The manager/supervisor should offer advice and support to the employee to overcome these concerns. The manager/supervisor should inform the employee that the following procedures might be invoked if the underperformance continues.

H4.5 In order to ensure that these procedures operate in a fair and transparent manner, the manager/supervisor will be responsible for documenting all relevant discussions. The employee must be given the opportunity to comment on any records before signing them.

H4.6 All parties have an obligation to participate in underperformance processes in good faith.

Step One: Action Plan

H4.7 Where a manager/supervisor assesses that an employee's work performance continues to be below expected standards after having previously discussed concerns with the employee in line with subclause H4.4, the manager/supervisor will inform the employee in writing of this assessment and the reasons for it. The employee will be invited by the manager/supervisor to provide written comments on this assessment, including any reasons that in the employee's view may have contributed to their recent work performance.

H4.8 After taking into account the comments from the employee, the manager/supervisor must prepare an action plan in consultation with the employee.

H4.9 The manager/supervisor will invite the employee to have a support person, who may be the employee's union or other employee representative, present at discussions to develop the action plan and will allow reasonable opportunity for this to be arranged.

H4.10 The action plan will:

- a) identify the expected standards of work required of the employee on an on-going basis;
- b) identify and/or develop any learning and development strategies that the employee should undertake;
- c) outline the potential underperformance actions that may be taken if the employee does not meet the expected standards;
- d) specify the action plan period, which should not normally be less than one month and should not exceed six months to allow the employee sufficient opportunity to achieve the required standard; and
- e) specify the assessment criteria to be measured within the action plan period.

H4.11 Any current performance agreement will be suspended during the period of the action plan. Any incremental advancement action for the employee will be suspended during the action plan period.

Step Two: Regular Assessment

H4.12 During the action plan period, the manager/supervisor will make regular written assessments (desirably every fortnight) of the employee's work performance under the action plan. The employee will be given an opportunity to provide written comments on these assessments.

H4.13 If the manager/supervisor considers that further assessment time is needed the manager/supervisor may extend the action plan period. However, the extended assessment time must not result in the action plan exceeding six months duration. The manager/supervisor will inform the employee in writing of the decision to extend the assessment time and the duration of the action plan.

Step Three: Final Assessment / Report

- H4.14 If at the end of the action plan period, the manager/supervisor assesses the work performance of the employee as satisfactory, no further action will be taken under these procedures at that time. The manager/supervisor will inform the employee in writing of this decision.
- H4.15 If at the end of the action plan period, the manager/supervisor assesses the work performance of the employee as not satisfactory, the manager/supervisor will provide a report including the assessment and reasons for the assessment to the head of service.

Step Four: Underperformance Action

- H4.16 The head of service will advise the employee in writing:
- a) of the assessment and reasons for the manager's/supervisor's assessment;
 - b) of the underperformance action/s (subclause H4.17) proposed to be taken and the reasons for proposing this action;
 - c) of the employee's right to respond in writing to the proposed action within a period of not more than seven calendar days.
- H4.17 At any time after seven calendar days from the date the head of service advised the employee under subclause H4.16, and after considering any response from the employee, the head of service may decide to take one or more of the following underperformance actions:
- a) transfer the employee to other duties (at or below current pay);
 - b) defer the employee's increment;
 - c) reduce the employee's incremental point;
 - d) temporarily or permanently reduce the employee's classification and pay;
 - e) remove any monetary benefit derived through an existing Attraction and Retention Incentive (or existing SEA);
 - f) terminate the employee's employment.
- H4.18 The head of service will inform the employee in writing of the decision made under subclause H4.17, the reasons for the decision and the appeal mechanisms available under this Agreement.
- H4.19 At any time in these procedures, the employee may elect to be retired on the grounds of inefficiency.

H5 APPEAL RIGHTS

- H5.1 The employee has the right under Section J to appeal any underperformance action taken under subclause H4.17, except action to terminate the employee's employment.
- H5.2 The employee may have an entitlement to bring an action under the FW Act in respect of any termination of employment under this Agreement. This will be the sole right of review of such an action.

H6 MISCONDUCT & DISCIPLINE

Objectives and Application

- H6.1 This clause establishes procedures for managing misconduct or alleged misconduct by an employee.
- H6.2 In applying these procedures to officers on probation, an eligible casual employee or a temporary employee who has been engaged for over six months, the head of service may determine that procedures and practices throughout clauses H6 to H10 apply on an appropriate and proportionate basis according to the circumstances of the case.
- H6.3 The objective of these procedures is to encourage the practical and expeditious resolution of misconduct issues in the workplace.
- H6.4 All parties have an obligation to participate in misconduct processes in good faith.

What is Misconduct

- H6.5 For the purposes of this Section, misconduct includes any of the following:
 - a) the employee fails to meet the obligations set out in section 9 of the PSM Act 1994 (this includes bullying and harassment or discrimination);
 - b) the employee engages in conduct that has brought, or is likely to bring, the Directorate or ACTPS into disrepute;
 - c) a period of unauthorised absence and the employee does not offer a satisfactory reason on return to work;
 - d) the employee is convicted of a criminal offence or where a court finds that an employee has committed an offence but a conviction is not recorded, taking into account the circumstances and seriousness of the offence, the duties of the employee and the interests of the ACTPS and/or of the Directorate;
 - e) the employee fails to notify the head of service of criminal charges in accordance with clause H11; or
 - f) the employee makes a vexatious or knowingly false allegation against another employee.

What is Serious Misconduct

- H6.6 Serious misconduct means conduct that is so serious that it may be inconsistent with the continuation of the employee's employment with the Territory. Serious misconduct includes but is not limited to the kinds of serious misconduct defined within the Fair Work Regulations.

H7 DEALING WITH ALLEGATIONS OF MISCONDUCT

- H7.1 If, after receiving a recommendation from the manager/supervisor under paragraph H2.2(e), the head of service is of the opinion that the alleged misconduct cannot be resolved without recourse to investigation, the head of service will:
- a) inform the appropriate Human Resources Manager that an investigation is to take place;
 - b) with the assistance of the appropriate Human Resource Manager make arrangements for an appropriately trained or experienced person (the investigating officer) to investigate the alleged misconduct in accordance with clause H9; and
 - c) inform the employee in writing of the alleged misconduct and that the matter is to be investigated.
- H7.2 Depending on the nature of the alleged misconduct the head of service may immediately transfer the employee to other duties, re-allocate duties away from the employee or suspend the employee with pay in accordance with clause H8. Where serious misconduct is alleged the head of service may suspend an employee without pay.
- H7.3 Notwithstanding the provisions of this section, the employment of an employee may be summarily terminated without notice for serious and wilful misconduct.
- H7.4 No investigation may be necessary where the employee fully admits to the alleged misconduct and the employee agrees that there is no need for an investigation. In such cases, the head of service may determine the appropriate disciplinary action/sanction in accordance with clause H10. The head of service must ensure that they have sufficient information concerning the nature and full circumstances of the misconduct, any mitigating factors, and details of the employee's prior service record and performance to enable a fair and reasonable determination under clause H10 to be made.

H8 SUSPENSION, REASSIGNMENT OR TRANSFER

- H8.1 This clause applies to all employees including eligible casual employees and employees on probation.
- H8.2 Subject to these procedures, the head of service may suspend with or without pay, reassign or transfer an employee where the head of service is satisfied that it is in the public interest, the interests of the ACTPS or the interests of the Directorate to do so while the alleged misconduct is investigated.
- H8.3 The procedures applying under sub-clauses H8.4, H8.5 and H8.10 will also apply in circumstances where an employee has been reassigned or transferred with pay to other duties following an allegation of misconduct.
- H8.4 The head of service will not normally suspend, reassign or transfer an employee without first informing the employee of the reasons for the proposed suspension, reassignment or transfer and giving the employee the opportunity to be heard. However the head of service may suspend an employee first and then give the employee the reasons for the suspension and an opportunity to be heard, where, in the head of service's opinion, this is appropriate in the circumstances.

- H8.5 Whilst suspended with pay an employee will be paid:
- a) the employee's ordinary hourly rate of pay and any higher duties allowances that would have been paid to the employee for the period they would otherwise have been on duty; and
 - b) overtime (but not overtime meal allowance) and shift penalty payments where there is a regular and consistent pattern of extra duty or shift work being performed over the previous six months which would have been expected to continue but for the suspension from duty; and
 - c) any other allowance or payment (including under a Attraction and Retention Incentive entered into in accordance with Annex B to this Agreement) of a regular or on-going nature that is not conditional on performance of duties.
- H8.6 Where a decision is made to suspend an employee with pay no appeal or review of that decision is available.
- H8.7 An employee who is suspended must be available to attend work and participate in the disciplinary process as directed within 48 hours of the direction being given unless they are on authorised leave.
- H8.8 Suspension without pay is usually only appropriate where serious misconduct is alleged or where the employee is charged with a criminal offence that would in the opinion of the head of service be incompatible with the continuation of the employee's employment.
- H8.9 Whilst suspended without pay:
- a) the suspension will not be for more than thirty calendar days, unless exceptional circumstances apply;
 - b) the employee may apply to the head of service for permission to seek alternate employment outside the ACTPS for the period of the suspension or until the permission is revoked;
 - c) in cases of demonstrated hardship, the employee may access accrued long service leave and/or annual leave;
 - d) the employee may apply to the head of service for the suspension to be with pay on the grounds of demonstrated hardship.
- H8.10 The suspension without pay should be reviewed every thirty calendar days unless the head of service considers that, in the circumstances, a longer period is appropriate.
- H8.11 An employee suspended without pay and who is later acquitted of the criminal offence, or found not to have been guilty of the misconduct:
- a) is entitled to be repaid the amount by which the employee's pay was reduced; and
 - b) is entitled to be credited with any period of long service or annual leave that was taken.
- H8.12 Where an employee is suspended and later found guilty of a criminal offence (whether or not a conviction is recorded), or is found guilty of misconduct and is dismissed because of the offence or misconduct, a period of suspension under this clause does not count as service for any purpose, unless the head of service determines otherwise.

H9 INVESTIGATIONS

- H9.1 The role of the investigating officer is to establish the facts of the allegations and to provide a report of those facts to the head of service.
- H9.2 The investigating officer will:
- a) inform the employee in writing of the particulars of the alleged misconduct, and details concerning the investigative process;; and
 - b) give the employee a reasonable opportunity to respond to allegations, in writing and/or at a scheduled interview, before making a finding of fact; and
 - c) provide the employee with at least twenty four hours written notice prior to conducting an interview, and advise the employee if the interview is to be recorded electronically; and

 - e) as soon as practicable take any further steps considered necessary to establish the facts of the allegations; and
 - f) provide a record of the interview to the employee to correct any inaccuracies in the record and to provide any further response in relation to the allegations before signing the record. If the employee elects not to sign the record, then details of the offer will be noted; and
 - g) provide a written report to the head of service setting out the investigating officer's findings of fact.
- H9.3 The investigating officer's findings of fact will be made on the balance of probabilities.
- H9.4 The head of service may authorise access to ACTPS information and communication technology (ICT) records including email, computer, work phone records, or building access logs if, in the opinion of the head of service, the investigating officer requires access in order to establish the facts of the allegations.
- H9.5 After considering the report from the investigating officer, the head of service will make a determination on the balance of probabilities as to whether misconduct has occurred.
- H9.6 If the head of service determines that the misconduct has not occurred, the head of service will notify the employee of this finding and advise that no sanctions will be imposed.

H10 DISCIPLINARY ACTION AND SANCTIONS

- a) the nature and seriousness of the misconduct;
 - b) the degree of relevance to the employee's duties or to the reputation of the Directorate or the ACTPS;
 - c) the circumstances of the misconduct;

 - b) the reasons for arriving at this decision; and
 - c) the sanction proposed; and
 - d) the period during which the employee has to respond to the proposed disciplinary action (which must be a minimum of fourteen calendar days).

H10.5 After considering the employee's response to the proposed action, or if the employee has not responded at any time after the period outlined in paragraph H10.4 (d) has lapsed, the head of service may take disciplinary action. The head of service will inform the employee in writing of:

- a) the final decision regarding disciplinary action to be taken; and

H11.3 If an employee is convicted of a criminal offence the employee will provide a written statement regarding the circumstances of the offence to the head of service within seven calendar days of the conviction or the finding.

H11.4 Where an employee is convicted of a criminal offence and the conviction or finding has adversely affected the interests of the Directorate or the ACTPS, the head of service may impose a sanction for misconduct against the employee in accordance with clause H10.

H12 RIGHT OF APPEAL

H12.1 An employee has the right under Section J to appeal against any decision to take disciplinary action or to apply a sanction under subclause H10.1, or against any decision taken under clause H8 to suspend the employee without pay, or to transfer the employee at reduced pay, except action to terminate the employee's employment.

H12.2 An employee may have an entitlement to bring an action under the FW Act in respect of any decision under this Section to terminate the employee's employment. This will be the sole right of review of such a decision.

- 13.2 An employee, or the employee's union or other employee representative on the employee's behalf, has the right to apply for a review of any action or decision that effects the employee's employment, unless the action or decision is specifically excluded under this Section.
- 13.3 An employee, or the employee's union or other employee representative on the employee's behalf, may initiate a review under this Section by making an application to the head of service that:
- a) is in writing; and
 - b) identifies the action and/or decision which the employee seeks a review of; and
 - c) identifies the reasons the review is sought including, in the employee's view, the effect/s that the action or decision has or is having on the employee's employment; and
 - d) describes the outcome sought.

I4 REVIEW PROCESS

- 14.1 Where appropriate, and agreed by the employee who made the application under clause I3, or the employee's union or other employee representative on the employee's behalf, the head of service must consider mediation as an option before arranging for a review under subclause I4.3. The mediator will be agreed between the employee and the head of service.
- 14.2 In the event that mediation does take place and that it resolves the issues raised in the application, then no further action is required under these procedures. In that event a formal written statement that the issue has been resolved must be signed by the employee and the head of service.

- 14.3 Subject to subclauses 14.1 and 14.2, the head of service must arrange for an application made under clause 13 to be reviewed by an independent person (the reviewer) who may be:
- a) a suitably skilled employee or executive who was not involved in the original action; or

 - b) providing reasonable opportunity for the employee to respond; and
 - c) advising the employee of the employee's rights to representation.

 - iii. should not be heard for some other compelling reason.
- 14.7 The head of service must either confirm a recommendation made by the reviewer under subclause 14.6 that an application should not be considered or arrange for another reviewer to consider the application.
- 14.8 The head of service will inform the employee in writing, within fourteen calendar days of the date of any decision under subclause 14.7, including, the reasons for any decision not to consider the application.
- 14.9 If the reviewer does not make a recommendation under subclause 14.6, then the reviewer will conduct a procedural review on the papers to determine:

 - b) whether the principles of procedural fairness and natural justice were complied with in taking the original action; and
 - c) whether the final decision of the head of service was fair and equitable in all of the circumstances.

- I4.10 The reviewer must be provided with all relevant information and evidence that was available to the delegate in the making of the original decision or in taking the original action. To ensure efficiency and timeliness, the reviewer should not undertake to collect the same information or new evidence which was not available at the time the original action or decision was made.
- I4.11 After reviewing any action or decision the reviewer will, subject to subclause I4.16, make a written report to the head of service containing recommendations on whether the action that led to the application should be confirmed or varied or that other action is taken. A copy of this report will be provided to the employee.
- I4.12 In keeping with subclause I4.11, if the reviewer is of the view that there is doubt over the veracity and/or validity of the information or evidence or processes used in making the initial decision or action, the reviewer will inform the head of service of that doubt and the reasons for it in the written report.
- I4.13 The employee may respond to any aspects of the report. Such a response must be in writing and be provided to the head of service within fourteen calendar days of the employee receiving the report.
- I4.14 The head of service, after considering the report from the reviewer and any response from the employee to the report of the reviewer, may:
- a) confirm the original action; or
 - b) vary the original action; or
 - c) take any other action the head of service believes is reasonable.
- I4.15 The head of service will inform the employee in writing, within fourteen calendar days of the date of any decision under subclause I4.14, including the reasons for the action.
- I4.16 Where the subject of the application is an action or decision of the head of service, the written report of the reviewer will be made to the Commissioner for Public Administration. A copy of this report will be provided to the employee.
- I4.17 The Commissioner for Public Administration may, after considering the report from the reviewer, recommend to the head of service that:

- 15.1 The employee, or the employee's union or other employee representative on the employee's behalf, may seek a review of a decision or action of the head of service under subclause 14.14 or subclause 14.18 by an external tribunal or body, including the FWC.
- 15.2 The FWC will be empowered to resolve the matter in accordance with the powers and functions set out in clause G2 of this Agreement. The decision of the FWC will be binding, subject to any rights of appeal against the decision to a Full Bench in accordance with clause G2.15.

Section J - Appeal Mechanism

J1 OBJECTIVE AND APPLICATION

- J1.1 This Section sets out an appeal mechanism for an employee where the employee (referred to in this section as “the appellant”) is not satisfied with the outcome of decisions described in the following clause.
- J1.2 This appeal mechanism will apply to:
- a) decisions about promotion or temporary transfer to a higher office or role (for periods in excess of six months) affecting the officer where the officer was an applicant for the position, except decisions made on the unanimous recommendation of a joint selection committee (see PSM Act 1994 and PSM Standards);
 - b) decisions to promote an officer after acting for a period of twelve months or more in a position at or below ICP2;
 - c) decisions to suspend the employee without pay under clause H8 of this Agreement;
 - d) decisions to take disciplinary action under subclause H10.1 of this Agreement, except a decision to terminate the employee’s employment;
 - e) decisions to take underperformance action under subsection H4.17 of this Agreement, except a decision to terminate the employee’s employment;
 - f) decisions taken in relation to an employee’s eligibility for benefits under clauses K5 and K6 of this Agreement and the amount of such benefits, the amount payable by way of income maintenance under clause K9, and the giving of a notice of involuntary redundancy or notice of reduction in classification under clauses K7 and K8;
 - g) any other decision that is subject to appeal under the PSM Act.
- J1.3 For purposes of paragraph J1.2 (a) and J1.2 (b), an appeal may only be made in relation to promotions or temporary transfer to a higher office or role where the pay applicable is any classification with a maximum pay that is less than the minimum pay of an Ambulance Manager 1. For positions above ICP2 an application may be made for an internal review of the process (see subclause I2.2 of this Agreement).
- J1.4 For the purposes of paragraph J1.2 (b), any suitably qualified officer may appeal the decision.
- J1.5 An employee may have an entitlement to bring an action under the FW Act in respect of any termination of employment under this Agreement. This will be the sole right of review of such an action.

J2 INITIATING AN APPEAL

- J2.1 An employee, or the employee’s union or other employee representative on the employee’s behalf, may initiate an appeal under these procedures by making an application to the Convenor of Appeal Panels that:
- a) is in writing; and
 - b) describes the decision or action taken or to be taken, the reasons for the application and the outcome sought; and
 - c) is received by the Convenor of Appeal Panels within fourteen calendar days of being notified of the decision to take the action.

- J2.2 For the purposes of paragraph J2.1(b), a decision must be an appealable decision as set out in subclause J1.2.

J3 COMPOSITION OF THE APPEAL PANEL

- J3.1 The head of service will nominate a person, or position, to be the Convenor of the Appeal Panel.
- J3.2 Where an application is received by the Convenor of the Appeal Panel in accordance with the requirements set out in subclause J2.1 and J2.2 the Convenor of Appeal Panels will set up an Appeal Panel.
- J3.3 The Appeal Panel will comprise a nominee of the relevant Directorate, a nominee of the employee and a chairperson, where:
- a) the chairperson is chosen from a panel of providers approved by the Commissioner for Public Administration (in consultation with Joint Council), or, in the case of an appeal relating to a promotion decision, an agreed person; and
 - b) a chairperson from the panel of providers is so chosen on a rotational basis, unless there is an identified conflict of interest, in which case the next person on the panel of providers would be chosen.
- J3.4 The Convenor may only be a member of an Appeal Panel with the agreement of the appellant.
- J3.5 A person is not eligible to be a member of an Appeal Panel if that person was involved in the decision or the process that is the subject of the application.

J4 POWERS AND ROLE OF THE APPEAL PANEL

- J4.1 In considering an application, the Appeal Panel must have due regard to the principles of natural justice and procedural fairness. Proceedings of the Appeal Panel are to be conducted as quickly as practicable consistent with a fair and proper consideration of the issues.
- J4.2 The Convenor of the Appeal Panel will invite the appellant to have a support person, who may be the employee's union or other employee representative, present at any meetings held with the Appeal Panel and will allow reasonable opportunity for this to be arranged.
- J4.3 The Appeal Panel will have the discretion to decide not to conduct a review of the appeal application, or, if it has commenced reviewing the application, to decide not to proceed further if, in the opinion of the Panel:
- a) the application is frivolous or vexatious, or not made in good faith; or
 - b) the employee making the appeal may apply to another person or authority about the application who may more appropriately deal with the action; or
 - c) further review of the application is not warranted.

Appeals about promotion and temporary transfer to a higher office or role

- J4.4 For appeals concerning promotion or transfer to a higher office or role under paragraph J1.2(a), the only ground on which the Appeal Panel can review the decision is the officer making the appeal would be more efficient in performing the duties of the position than the person promoted or selected for temporary transfer.

- J4.5 After reviewing an application about promotion or temporary transfer to a higher office or role affecting the appellant, the Appeal Panel will either confirm the decision or make recommendations to the head of service to substitute another decision. The head of service will inform the appellant of this decision and the reasons for the decision.

Other matters

- J4.6 Where the Appeal Panel determines that an application for appeal requires further consideration, the Appeal Panel will conduct a procedural review on the papers to determine whether:
- a) it was open to the head of service to take the action that he or she did;
 - b) the principles of procedural fairness and natural justice were complied with in taking the original action or decision; and
 - c) the final decision of the head of service was appropriate in all of the circumstances.
- J4.7 The Appeal Panel must be provided with all relevant information and evidence that was available to the decision-maker in the making of the original decision or in taking the original action. To ensure efficiency and timeliness, the Appeal Panel should not undertake to collect the same information or new evidence.
- J4.8 Where the Appeal Panel is satisfied that a fundamental piece of evidence was not considered in the original process, the Appeal Panel may recommend to the head of service that the matter be referred back to the original decision-maker for further investigation.
- J4.9 The decision-maker, after considering the referral from the Appeal Panel under subclause J4.8, will:

 - b) provide written reasons to the Appeal Panel, within fourteen calendar days, for not accepting their referral for further investigation.
- J4.10 After reviewing any application under this section, other than an appeal about promotion or temporary transfer to a higher office or role, the Appeal Panel will, subject to subclause J4.8, make a written report containing recommendations to the head of service. A copy of the report will be provided to the appellant.
- J4.11 In making recommendations to the head of service under subclause J4.10 or to the Commissioner for Public Administration under subclause J4.13, the Appeal Panel must provide the reasons for its recommendations.
- J4.12 The head of service, after considering the report from an Appeal Panel under subclause J4.10, will make a decision on any recommendation in the report and inform the appellant in writing of the reasons for that decision, within fourteen calendar days of receiving the report.
- J4.13 Where the subject of an application under this clause is a decision of the head of service then the Appeal Panel, after reviewing the application will, subject to subclause J4.8, make a written report containing recommendations to the Commissioner for Public Administration. A copy of this report will be provided to the appellant.

- J4.14 The Commissioner for Public Administration, after considering the report from an Appeal Panel under subclause J4.13, will recommend to the head of service that the decision that is the subject of the application:
- a) be confirmed; or
 - b) be varied; or
 - c) other action taken.
- J4.15 The head of service, after considering the report from the Commissioner for Public Administration, may:

 - b) provide the appellant, within fourteen calendar days, with written reasons for not accepting the recommendations.
- J4.17 If the head of service does not accept the recommendations of the Commissioner for Public Administration under subclause J4.14, the Commissioner may report on this outcome in the Commissioner's Annual Report.

J5 COSTS

- J5.1 The Territory will not be liable for any costs associated with representing an appellant in these procedures.

J6 RIGHT OF EXTERNAL REVIEW

- J6.2 The FWC will be empowered to resolve the matter in accordance with the powers and functions set out in clause G2 of this Agreement. The decision of the FWC will be binding, subject to any rights of appeal against the decision to a Full Bench in accordance with clause G2.15.

Section K - Redeployment and Redundancy

K1 APPLICATION

- K1.1 The ACTPS recognises the need to make the most effective use of the skills, abilities and qualifications of its officers in a changing environment. When positions become excess, the relevant Directorate will seek to redeploy permanent officers within the Directorate or the ACTPS in order to avoid or minimise an excess officer situation. Should redeployment not be possible, voluntary redundancy, reduction in classification and involuntary redundancy will be considered in that order. Throughout these procedures the relevant Directorate will, where practicable, take into consideration the personal and career aspirations and family responsibilities of affected officers.
- K1.2 These provisions do not apply to temporary and casual employees or officers on probation.

K2 DEFINITIONS

- K2.1 Excess officer means an officer who has been notified in writing by the head of service that he or she is excess to an ACTPS Directorate's requirements because:
- a) the officer is included in a class of officers employed in an ACTPS Directorate, which class comprises a greater number of officers than is necessary for the efficient and economical working of the Directorate; or
 - b) the services of the officer cannot be effectively used because of technological or other changes in the work methods of the relevant Directorate or changes in the nature, extent or organisation of the functions of the relevant Directorate.
- K2.2 Potentially excess officer means an officer who is likely to become actually excess in a foreseeable space of time.

K3 CONSULTATION

- K3.1 Where it appears to the head of service that a position is likely to be either potentially or actually excess to an ACTPS Directorate's requirements, and prior to any individual employee(s) being identified, the head of service will, at the earliest practicable time, advise and discuss with the union(s), the following issues (as appropriate in each case):
- a) the number and classification of officers in the part of the Directorate affected;
 - b) the reasons an officer is or officers are likely to be excess to requirements;
 - c) the method of identifying officers as excess, having regard to the efficient and economical working of the relevant Directorate and the relative efficiency of officers;
 - d) the number, classification, location and details of the officers likely to be excess;
 - e) the number and classification of officers expected to be required for the performance of any continuing functions in the part of the Directorate affected;
 - f) measures that could be taken to remove or reduce the incidence of officers becoming excess;
 - g) redeployment prospects for the officers concerned;

- h) the appropriateness of using voluntary retirement; and
 - i) whether it is appropriate for involuntary retirement to be used if necessary.
- K3.2 No information that would identify any individual officers will be provided by the head of service under this Section.
- K3.3 The discussions under subclause K3.1 will take place over such time as is reasonable, taking into account the complexity of the restructuring and need for potential excess officer situations to be resolved quickly. Any use of involuntary retirement will be agreed between the head of service and the union(s) at this stage and will not be used without the written agreement of the head of service and the union(s).
- K3.4 Except where a lesser period is agreed between the head of service and the officer, the officer will not, within one month after the union(s) has been advised under subclause K3.1, be invited to volunteer for retirement nor be advised in writing that he or she is excess to the relevant Directorate's requirements.
- K3.5 The head of service will comply with the notification and consultation requirements for union(s) and Centrelink about terminations set out in the FW Act.

K4 INFORMATION PROVIDED TO THE OFFICER

Informal Advice

- K4.1 At the point where individual employees can be identified, the head of service will advise the officer(s) that a position(s) is likely to become excess and that the employee may be affected. In that advice the officer(s) will also be advised that the officer may be represented by a union or other employee representative at subsequent discussions. The head of service will discuss with the officer(s) and, where chosen, the union or other employee representative(s) the issues dealt with in paragraphs K3.1(a) through (i) (as appropriate in each case).
- K4.2 The head of service will, at the first available opportunity, inform all officers likely to be affected by an excess staffing situation of the terms and operation of this Section.

Formal Notification

- K4.3 The notification of an officer's potentially excess status will only be given when the consultation required under subclause K3.1 and the consultation required under subclause K4.1 has taken place. Following such consultation, where the head of service is aware that an officer is potentially excess, the head of service will advise the officer in writing.
- K4.4 To allow an excess officer to make an informed decision on whether to submit an election to be voluntarily retired, the head of service must provide the officer with advice on:
 - a) the sums of money the officer would receive by way of severance pay, pay instead of notice, and paid up leave credits; and
 - b) the career transition/development opportunities within the ACTPS.

- K4.5 The officer should seek independent advice on:
- a) amount of accumulated superannuation contributions;
 - b) the options open to the officer concerning superannuation; and
 - c) the taxation rules applicable to the various payments.
- K4.6 The relevant directorate will supplement the costs of independent, accredited financial counselling incurred by each officer who has been offered voluntary redundancy up to a maximum of \$1000. The head of service will authorise the accredited financial counsellors to invoice the relevant directorate directly.

K5 VOLUNTARY REDUNDANCY

- K5.1 At the completion of the discussions in accordance with clause K3, the head of service may invite officers to elect to be made voluntarily redundant under this clause.
- K5.2 Where the head of service invites an excess officer to elect to be made voluntarily redundant, the officer will have a maximum of one calendar month from the date of the offer in which to advise the head of service of the officer's election, and the head of service will not give notice of redundancy before the end of the one month period.
- K5.3 Subject to subclause K5.4, where the head of service approves an election to be made redundant and gives the notice of retirement in accordance with the PSM Act, the period of notice will be one month, or five weeks if the officer is over forty-five years old and has completed at least two years continuous service.
- K5.4 Where the head of service so directs, or the officer so requests, the officer will be retired at any time within the period of notice under subclause K5.3, and the officer will be paid in lieu of pay for the unexpired portion of the notice period.

K6 SEVERANCE BENEFIT

- K6.1 An officer who elects to be made redundant in accordance with this clause will be entitled to be paid either of the following, whichever is the greater:
- a) a sum equal to two weeks of the officer's pay for each completed year of continuous service, plus a pro rata payment for completed months of continuous service since the last year of continuous service. The maximum sum payable under this paragraph will be 48 weeks pay; or
 - b) twenty-six weeks pay.
- K6.2 For the purpose of calculating any payment instead of notice or part payment, the pay an officer would have received had he or she been on annual leave during the notice period, or the unexpired portion of the notice period as appropriate, will be used.

- K6.3 For the purpose of calculating payment under subclause K6.1:
- a) where an officer has been acting in a higher position for a continuous period of at least twelve months immediately preceding the date on which he or she receives notice of retirement, the pay level will be the officer's pay in such higher position at that date;
 - b) where an officer has, during 50% or more of pay periods in the twelve months immediately preceding the date on which he or she receives notice of retirement, been paid a loading for shiftwork or are paid a composite pay, the weekly average amount of shift loading received during that twelve month period will be counted as part of "weeks pay";
 - c) the inclusion of other allowances, being allowances in the nature of pay, will be subject to the approval of the head of service.
- K6.4 Where a redundancy situation affects a number of officers engaged in the same work at the same level, elections to be made redundant may be invited.
- K6.5 Nothing in this Agreement will prevent the head of service inviting officers who are not in a redundancy situation to express interest in voluntary redundancy, where such redundancies would permit the redeployment of potentially excess and excess officers who do not wish to accept voluntary redundancy.

K7 REDEPLOYMENT

- K7.1 Redeployment of potentially excess and excess officers will be in accordance with the officer's experience, ability and, as far as possible, the officer's career aspirations and wishes.
- K7.2 The head of service will consider potentially excess and excess officers from other ACTPS agencies in isolation for vacancies at the officer's substantive level.
- K7.3 Excess officers (potential or actual) have absolute preference for transfer to positions at the officer's substantive level and must be considered in isolation from other applicants for any vacancy within the ACTPS. An excess officer need only be found suitable, or suitable within a reasonable time (generally three to six months) to be transferred to the position. For the purposes of this clause substantive level means the same classification or a classification where the maximum pay does not exceed the top increment of the officer's current classification by more than 10%.
- K7.4 The head of service will make every effort to facilitate the placement of an excess officer, within the service.
- K7.5 The head of service will arrange reasonable training that would assist the excess officer's prospects for redeployment.
- K7.6 The head of service will provide appropriate internal assistance and career counselling and assist as necessary with the preparation of job applications.
- K7.7 An excess officer who does not accept voluntary redundancy is entitled to a seven month retention period.

- K7.8 The retention period will commence:
- a) on the day the officer is advised in writing by the head of service that he or she is an actually excess officer; or
 - b) in the case of an officer who is invited by the head of service to submit an election to be retired - one month after the day on which the election is invited;
- whichever is the earlier.
- K7.9 The head of service may reduce the officer in classification and place the officer in a specific position within their Directorate, where the officer:
- a)
 - i. was found unsuitable in a merit selection process for three separate positions; or
 - ii. has not applied for at least three separate positions, for which the officer could reasonably be expected to be qualified to perform, either immediately or in a reasonable time; and
 - b) cannot be placed in gainful employment at the officer's substantive level at the end of the retention period, and
 - c) the officer agrees.
- K7.10 The agreement of the officer to be reduced in classification as required in paragraph K7.9(c) will not be unreasonably withheld.
- K7.11 Despite the above, if, at the end of the retention period, the head of service is of the opinion that there is insufficient productive work available for the excess officer, the head of service may, subject to the agreement of the officer, such agreement not to be unreasonably withheld, reduce the officer in classification in order to place the officer in a specific position in the ACTPS.
- K7.12 An excess officer will not be reduced in classification if he or she has not been invited to elect to be voluntarily retired with benefits, or has made such an election and the head of service refuses to approve it.
- K7.13 Where the head of service proposes to reduce an excess officer's classification, the officer will be given no less than four weeks notice of the action proposed; or five weeks if the officer is over forty-five years old and has completed at least two years of continuous service. This notice period will, as far as practicable, be concurrent with the seven month retention period.

K8 INVOLUNTARY RETIREMENT

- K8.1 An excess officer may be made involuntarily redundant, subject to the agreement of the union(s). This clause applies to excess officers who are not:
- a) retired with consent;
 - b) redeployed to another position; or
 - c) reduced in classification.

- K8.2 An officer may be involuntarily retired subject to the agreement of the union(s), such agreement not to be withheld if, during or after six months from the date the officer was declared excess, the officer:
- a) does not accept a transfer in accordance with the PSM Act; or
 - b) has refused to apply for, or be considered for, a position for which the officer could reasonably be expected to be qualified to perform, either immediately or in a reasonable time.
- K8.3 Where the head of service believes that there is insufficient productive work available for an excess officer during the retention period, the head of service may make the officer involuntarily redundant before the end of the retention period.
- K8.4 An excess officer will not be involuntarily retired if he or she has not been invited to elect to be voluntarily retired with benefits, or has made such an election and the head of service refuses to approve it.
- K8.5 Where the head of service involuntarily retires an excess officer, the officer will be given no less than four weeks' notice of the action proposed; or five weeks if the officer is over forty-five years old and has completed at least two years of continuous service. This notice period will, as far as practicable, be concurrent with the seven month retention period.

K9 INCOME MAINTENANCE PAYMENT

- K9.1 An officer who has been receiving a higher rate of pay for a continuous period of at least twelve months and who would have continued to receive that pay rate, except for the excess officer declaration, will be considered to have the higher pay rate.
- K9.2 This pay will be known as the income maintenance pay. The income maintenance pay, where applicable, will be used for the calculation of all conditions and entitlements under this clause.
- K9.3 The income maintenance pay exists for the retention period or the balance of the retention period.
- K9.4 If an officer is involuntarily retired, the entitlements, including paying out the balance of the retention periods, where applicable, will be calculated on the income maintenance pay rate. If an officer is involuntarily retired during the retention periods the officer's date of retirement is the date that the officer would have retired after the retention period ceased, not the date of the involuntary retirement. All final entitlements will be calculated from the latter date.
- K9.5 If an officer is involuntarily reduced in classification during the retention period, the officer will be entitled to be paid at the income maintenance pay rate for the balance of the retention period.
- K9.6 All allowances in the nature of pay will be included in determining the income maintenance pay rate.

K10 LEAVE AND EXPENSES TO SEEK EMPLOYMENT

- K10.1 At any time after the officer has been advised under subclause K4.3 of being potentially excess, the officer is entitled to paid leave to seek alternative employment. Leave granted under this clause will be for periods of time to examine the job and to attend interviews. Reasonable travelling time will also be granted.
- K10.2 The officer will be entitled to any reasonable fares and other incidental expenses if these are not met by the prospective employer.

K11 USE OF PERSONAL LEAVE

- K11.1 The use of personal leave will not extend the retention periods of an officer unless these periods are supported by a medical certificate and/or are of such a nature as to make the seeking of employment during certificated personal leave inappropriate.
- K11.2 An officer who is receiving income maintenance will have those payments continued during certified personal leave periods of up to a total of six months.

K12 APPEALS

- K12.1 Without affecting the officer's rights under the FW Act, an excess officer has the right under Section J to appeal any decision taken in relation to the officer's eligibility for benefits under clauses K5, K6 and K7, the amount of such benefits, or the amount payable by way of income maintenance under clause K9.
- K12.2 An excess officer has the right under Section J to appeal against the giving, in accordance with clauses K7 and K8, of a notice of involuntary redundancy or notice of reduction in classification.

K13 AGREEMENT NOT TO PREVENT OTHER ACTION

- K13.1 Nothing in this Agreement will prevent the reduction in classification of an officer or the retirement of an officer as a result of action relating to discipline, invalidity, inefficiency or loss of essential qualifications.

K14 RE-ENGAGEMENT OF PREVIOUSLY RETRENCHED OFFICERS

- K14.1 Despite the PSM Act, officers who are involuntarily retired from the ACTPS can be engaged at any time by the head of service without the written consent of the Commissioner for Public Administration.
- K14.2 Officers who elect to be made voluntarily redundant under clause K5 cannot be re-engaged in the ACTPS within two years of the date of the officers' separation from the ACTPS, except with the written consent of the Commissioner for Public Administration.

Section L - Management or Government Initiated Transfers

L1 GAINING EMPLOYEES

- L1.1 Despite anything to the contrary in the PSM Act, this Section applies where the Directorate:
- a) gains the holder of an office (a new employee) who has been transferred under section 15(5) of the PSM Act; or
 - b) gains an employee (a new employee) under section 16(2) of the PSM Act; or
 - c) gains an unattached officer (a new employee) under section 119 of the PSM Act; or
 - d) gains an employee (a new employee) as a result of a management initiated transfer or transfer arising from changes to the Administrative Arrangement Orders.
- L1.2 Subject to subclauses L1.3 and L1.4, the terms and conditions of this Agreement will apply to the new employee.
- L1.3 In applying the terms and conditions of this Agreement to a new employee, the head of service will determine, following transfer of the employee to this Directorate, the pay and classification of the new employee according to the following principles:
- a) the head of service will determine the new employee's classification (called the "new classification") for the purposes of this Agreement and the conditions of employment (excluding pay) will be solely in accordance with the conditions applicable to that classification under this Agreement with accrued entitlements being preserved in accordance with clause L2;
 - b) if the new employee's current pay (after any necessary adjustments required by clause L2) is within the range of pays for the new classification, the new employee will continue to receive that pay;
 - c) if the lowest pay in the range of pays applicable to the new classification is higher than the new employee's current pay, the employee's pay will be increased to the lowest pay applicable to the new classification or the appropriate relativity in the new incremental range;
 - d) if the highest pay in the range of pays applicable to the new classification is less than what the new employee is currently being paid then:
 - i. the employee's pay will be frozen at its current level; and
 - ii. despite anything to the contrary in this Agreement, the employee will not receive any increase in pay unless and until the highest pay applicable to the employee's classification under this Agreement equals or exceeds the employee's current pay, at which time the employee will receive the highest pay applicable to the employee's classification under this Agreement together with any future increases under this Agreement.
- L1.4 A new employee who, at the time the employee was transferred to the Directorate, was working under approved flextime arrangements, will be entitled to continue the flextime arrangements in the Directorate. This provision will apply unless otherwise agreed by the head of service and the employee, or until a new enterprise agreement for the Directorate commences operation under the FW Act.

- L1.5 The provisions of the PSM Act dealing with promotions or transfers do not apply to anything done in connection with the implementation of this Section. In particular, any increase in a new employee's pay or classification is deemed not appealable as a promotion and does not require the new employee's position to be advertised.

L2 PRESERVATION OF ACCRUED ENTITLEMENTS

- L2.1 New employees will not lose the benefit of accrued entitlements upon joining the Directorate. Accordingly, the new employee's overall level of accrued entitlements will be preserved according to the following principles:
- a) where the accrued entitlements are consistent with this Agreement, these entitlements will be preserved but may only be accessed in a manner consistent with the provisions of this Agreement;
 - b) where the accrued entitlements are not consistent with this Agreement and/or cannot be accessed in a manner consistent with this Agreement, then these entitlements will be converted into entitlements or benefits consistent with this Agreement at the discretion of the head of service in consultation with the employee.
- L2.2 This clause must be implemented in such a way that an employee is no worse off in terms of the overall level of accrued entitlements.

L3 ESTABLISHMENT OF A NEW ACTPS DIRECTORATE

- L3.1 If a new ACT Government Directorate is established the terms and conditions of this Agreement will apply for twelve months from the establishment of the new Directorate or for seven days after an enterprise agreement for the new Directorate is approved by the FWC, whichever occurs first, to the following:
- a) an officer who occupies an office in this Directorate that is transferred to the new Directorate under machinery of government, management or government initiated changes; or
 - b) an employee or unattached officer in this Directorate who is transferred to the new Directorate under machinery of government, management or government initiated changes; or
 - c) an officer or employee in this Directorate who is appointed to or engaged in an office that was transferred to the new Directorate under machinery of government changes; or
 - d) an officer or employee in this Directorate who is engaged in a new office created by the new Directorate, where the officer or employee is engaged in one of the classifications in Annex A of this Agreement.
- L3.2 If an office is established in a new Directorate, the terms and conditions of this Agreement will apply:
- a) to an occupant of that office if it was established to support functions and/or matters that had been performed by this Directorate before the establishment of the new Directorate;
 - b) for twelve months from the establishment of the new Directorate or seven days after an enterprise agreement for the new Directorate is approved by the FWC, whichever first occurs.

- M2.4 The 10/14 shift pattern will rotate over an 8 week roster cycle where an employee will work a total of 14 dayshifts and 14 nightshifts which contribute to an average of 42 hours work per week over an 8 week roster cycle:
- (a) the shift pattern may be varied for an employee to undertake rostered training and special duties activities. The employee will continue to receive the composite wage as per subclause M3.1 and may be required to work a maximum of 5 sequential 8 hour shifts. In these circumstances the employee will move to and from the 10/14 shift pattern without adjustment to days rostered for duty and hours worked.

- M2.5 A working day is the equivalent to a rostered shift.

M3 RATES OF PAY AND RELATED MATTERS

- M3.1 Where an employee is rostered to work a 10/14 shift pattern an additional composite salary payment of 33.78% of the employee's base rate of pay will be paid for each completed week of work. The composite salary payment is derived from the following salary components:

M7 ADDITIONAL PUBLIC HOLIDAYS

- M7.1 On Family and Community Day, or any other additional public holiday, employees will receive a credit of 10 hours of annual leave or the applicable payment at the ordinary rate of pay.

M12 MEAL BREAKS

M12.1 This clause applies to the exclusion of subclauses B5.9 to B5.12.

M12.2 The ACTAS recognises that it is in the interest of both its employees and the Service that employees are provided with regular meal breaks.

M12.3 Employees will be entitled to commence a meal break subject to operational requirements not exceeding thirty (30) minutes within five (5) hours of continuous duty.

M12.4 If, due to operational requirements, an employee has not commenced a meal break prior to the expiration of the Window of Opportunity under subclause M12.7 the ACTAS will, subject to operational requirements, return the employee to their station to commence a meal break on completion of the case.

M12.5 Meal breaks will only be interrupted by Priority One (1) or Priority Two (2) cases. In the event that a meal break is interrupted, the crew will be returned to their meal break at the earliest opportunity to complete the balance of the thirty (30) minute meal break.

M12.6 Employees are responsible for commencing a meal break at the earliest practicable time within the Window of Opportunity.

M12.7 For purposes of clause M12, the Window of Opportunity will be as follows:

- i. 10-hour day shift; 1100 – 1300.
- ii. 14-hour night shift; 1900 - 2200 & 0200 - 0400.
- iii. 12 hour AM Demand Shift; from 10.00 to 12.00 and then no greater than 5 hours after completion of the 1st meal break.
- iv. 12 hour PM Demand Shift; from 14.00 to 16.00 and then no greater than 5 hours after completion of the 1st meal break.

The Chief Officer and the union agree to monitor the management of meal breaks through the WCC.

M12.8 During peak periods of workload, the Communication Staff have responsibility for the management of meal breaks.

M12.9 The ACTAS Duty Operations Officer should monitor dayshift meal break periods for the purpose of determining whether there will be a need to call in additional resources to facilitate employees proceeding to meal breaks.

M12.10 This monitoring will be facilitated by the Communications Staff providing situational updates on crew access to meal breaks to the ACTAS Duty Operations Officer within 5 hours following the commencement of shift.

M12.11 Within 1 hour of receiving the situational update the ACTAS Duty Operations Officer will actively implement strategies, including updating affected crews, to enable meal breaks.

M12.12 Where meal breaks are outstanding at time of ACTAS Duty Operations Officer changeover the incoming ACTAS Duty Operations Officer will make contact with crew to discuss strategies.

M12.13 If an employee performs overtime immediately prior to commencing a normal rostered shift, the employee may elect to commence a meal break prior to the first relevant Window of Opportunity under subclause M12.7. In this circumstance, the employee must advise the Communications Centre that they are proceeding to a meal break.

M12.14 In the event the employee elects to commence a meal break under subclause M12.13, the meal break will be deemed to have been taken during the first Window of Opportunity applicable to the shift being worked.

M13 MEAL ALLOWANCES FOLLOWING RECALL TO DUTY

M13.1 Where an employee is recalled to duty at short notice, the ACTAS will endeavour to provide the employee with a meal break in accordance with subclause M12.3. For the purposes of this clause, short notice recall is less than four hours notice.

- (c) successfully completes physical/swim assessments at least once a year or more frequently as determined from time to time by the ACTAS; and
- (d) is an active member of the flight team.

M14.2 For the purposes of subclause M14.1, an ICP is not an active member of the flight team if:

- (a) the employee is undertaking a period of higher duties unless the higher duties are for a position at the operational ambulance station where flight duties are undertaken from; or
- (b) the employee is nominated or appointed to another position unless the position is at the operational ambulance station where flight duties are undertaken from.

M14.3 An ICP who meets all of the requirements under subclause M14.1 will be paid as an ICP2.

M14.4 Wherever possible active flight team members will be scheduled to attend their annual physical/swim assessment whilst on shift. Where this is not possible, staff required to attend on a rostered day off will be paid 3 hours single time for that attendance.

M15 TRAINING AND DEVELOPMENT ICP 2

M15.1 A minimum of two on-road officers will be nominated and retained on each roster block to undertake training and other development responsibilities. To be eligible to be selected as a Training and Development ICP2, an employee should be willing to undertake or be undertaking a Certificate IV in Training and Assessment. Employees will be selected on merit and nominated to undertake this role for a period of two years, at which time the roles will be re-advertised and selected on merit for a further two years.

M15.2 The Director General and the union recognise that periodically there may be a short term requirement for more than eight Training and Development ICP2s to undertake periods of designated and structured on road training. During these periods the ACTAS will nominate wherever possible an employee to undertake higher duties in the Training and Development ICP2 role for the short term requirement.

M15.3 Where a Communications Officer is responsible for training an employee who is undertaking a designated and structured Communications Officer training and development program, the Communications Officer is eligible for payment at the Training and Development ICP2 rate of pay for the period that the Communications Officer is conducting the training.

M15.4 This clause applies to an active member of the flight team. Where an employee is conducting training for another employee who is undertaking a designated and structured aeromedical training and development program, the employee conducting the training is eligible for payment at the ICP2 rate of pay for the period that the employee is conducting the training.

M16 TEAM LEADER ICP 2

M16.1 Employees undertaking the role of Team Leader ICP2 will be eligible for payment at the ICP2 rate of pay for the period. A Team Leader will be nominated for each Operational Ambulance Station and for the Comcen, to undertake coordination, administrative and supervisory functions at that Station or the Comcen.

M16.2 Employees will be selected on merit and nominated to undertake this role for a period of two years, at which time the roles will be re-advertised and selected on merit for a further two years. Any short term vacancies of one block or more in the Team Leader positions will be filled, where possible, by an employee acting with higher duties.

M17 REVIEW OF TEAM LEADER/TRAINING AND DEVELOPMENT ROLES

M17.1 The Chief Officer and the union agree to consult on the roles of Team Leader ICP2 and Training and Development ICP2 over the life of the Agreement.

M18 10/14 ROSTER ARRANGEMENTS

M18.1 Where a fulltime employee works a 10/14 shift, or variation of the 10/14 shift pattern, the methodology for calculating the wages and leave entitlements attributable to an employee who works a 10/14 shift pattern is based on clauses M19 to M22.

2. Approval

- 2.1 An ARIn may only be agreed and approved in accordance with this Framework.
- 2.2 The Director-General may only approve an ARIn if the Director-General is satisfied that the position and the employee occupying the position meet the ARIn eligibility criteria set out in paragraph 5.1 of this Framework.
- 2.3 Prior to any ARIn being agreed, the Director-General must discuss the proposed terms of the ARIn with the employee who is currently occupying the position or who is to occupy the position. In these discussions, the employee may invite a union or other employee representative to assist the employee.
- 2.4 An ARIn must not be agreed where it would result, when assessed as a whole, in a reduction in the overall terms and conditions of employment provided for the employee under this Agreement or provide terms and conditions that are, in a particular respect, less favourable than the National Employment Standards or the rates of pay set in this Agreement for the same work at the same classification level.
- 2.5 Where it is proposed that an ARIn will replace or reduce a condition of employment contained in this Agreement the Director-General will consult with the relevant union(s) about the proposed change. In consulting with the union(s), the Director-General will:
 - a) provide the union(s) with relevant information about the position and the proposed change;
 - b) give the union(s) a reasonable opportunity to consider this information and, if the union(s) wishes, provide written views to the Director-General within seven days; and
 - c) take into account any views of the union(s) and provide a written response before deciding to enter into or vary the ARIn.

Information that the Director-General provides to the union(s) under paragraph 2.5 (a) will not include information that might directly or indirectly disclose the identity of the particular employee.

- 2.6 At any time following the conclusion of the consultation required under paragraph 2.5 the Director-General and the employee may agree on the terms of an ARIn to apply to the position that the employee occupies.
- 2.7 The terms and conditions of employment of this Agreement will continue to form the principal basis for employees covered by this Agreement. Accordingly, where an ARIn applies to an employee, the terms and conditions of the employee is a combination of:
- a) the terms and conditions contained in this Agreement; and
 - b) the terms and conditions contained in the ARIn.
- 2.8 The terms and conditions of employment contained in an ARIn prevail over the terms and conditions of employment contained in this Agreement to the extent of any inconsistency.

3. Application

- 3.1 The ARIn will commence from the date specified in the ARIn.
- 3.2 The ARIn will cease to operate when this Agreement is replaced by a further enterprise agreement unless:
- a) the ARIn ceases to operate at an earlier time in accordance with the provisions of this Framework; or
 - b) the ARIn continues to operate under the provisions in the replacement enterprise agreement.
- 3.3 Subject to this Framework, the ARIn will operate while the employee continues to be the occupant of the position identified in the ARIn.
- 3.4 Subject to this Framework, the ARIn will cease to apply to the employee where:
- a) the Director-General determines, following a review provided for under paragraph 7 of this Framework, the ARIn should no longer apply to the position; or
 - b) the employee vacates the position identified in the ARIn including when the employee agrees to go unattached or is temporarily transferred to another position.
- 3.5 Notwithstanding paragraphs 3.3 and 3.4, the ARIn will automatically cease to apply to the employee after fifteen months unless the ARIn is reviewed and either extended or renewed.
- 3.6 Where an employee party to an ARIn temporarily vacates the position and another employee is selected to act in the position, the Director-General may, upon the provision of a submission to the Head of Service, determine the ARIn applies to the employee who is acting in the position.
- 3.7 Subject to paragraph 3.8 an ARIn will continue to operate under the enterprise agreement of the gaining Directorate where there is a transfer of a position arising from:
- a) machinery of Government changes; or
 - b) management initiated changes; or
 - c) changes to the Administrative Arrangement Orders.
- 3.8 An ARIn will continue to operate in accordance with paragraph 3.7 only where the position and the occupant continue to meet the ARIn eligibility criteria.

- 3.9 If following Machinery of Government or management initiated changes, the position or the occupant of the position cease to meet the eligibility criteria, the ARIn will cease to operate.
- 3.10 The Director-General must provide the employee with a minimum of 90 days (or less if agreed by the employee) written notice before the ARIn ceases to operate under paragraph 3.4 (a).

4. Deeming

- 4.1 Subject to paragraph 4.2 a Special Employment Arrangement (SEA) that applied to an employee covered by this Agreement on the date the Agreement commenced operation will be deemed to continue to operate under this Agreement, either:

- a) in its current terms; or
- b) subject to such variations that are agreed between the Director-General and the employee concerned and the provision of a submission to the Head of Service.

provided:

- c) the SEA had either commenced or been reviewed within 12 months preceding the date of this Agreement commenced operation; or
- d) a review of the SEA has begun (within 12 months preceding the date this Agreement commenced operation) but was not completed when this Agreement replaced the previous enterprise agreement.

For paragraph 4.1(a) or (b) above, the terms and conditions of this Agreement will apply as if the SEA had been made under this Agreement. This includes the pay increases on 1 July 2013 and 3 July 2014, where an SEA provides for increases linked to pay increases, but excludes all other pay increases under subclause C2.2 of this Agreement.

- 4.2 Despite paragraph 4.1 the Director-General and the employee to whom an SEA applied under the previous enterprise agreement may, subject to the provision of a submission to the Head of Service, agree to enter into an ARIn in accordance with this Framework.

5. Eligibility Criteria

- 5.1 In determining whether an ARIn should apply to a position, the Director-General and Head of Service will take into account the following criteria:
 - a) the position is critical to the operation of the Directorate or to a business unit in the Directorate;
 - b) an employee who occupies the position requires specialist qualifications or specialist or high level skills;
 - c) the skills required by the employee who occupies the position are in high demand in the marketplace;
 - d) the position would incur significant costs to replace.

- 5.2 In considering paragraph 5.1 (c) the Director-General and Head of Service must take into account relevant market data.
- 5.3 Where an Australian Workplace Agreement is terminated, the position that the employee who was a party to the Australian Workplace Agreement occupies will be deemed to have met the eligibility criteria at paragraph 5.1.

6. *Scope of an Attraction and Retention Incentive*

- 6.1 An ARIn may contain:
- a) enhanced pay rates;
 - b) provision for privately plated vehicles where the Director-General and Head of Service considers there is a clear, unambiguous and exceptional need;
 - c) other terms and conditions of employment where the Director-General and Head of Service considers there is a clear, unambiguous and exceptional need;
 - d) in the case where an Australian Workplace Agreement is terminated, the terms and conditions of employment that were contained in the Australian Workplace Agreement.
- 6.2 Should the Director-General consider that there is a compelling reason for the Directorate to pay enhanced rates of pay in excess of 50% of the base rate of pay for the position's classification, the Director-General will apply to the Head of Service for approval to do so.
- 6.3 An application to the Head of Service under paragraph 6.2 must include relevant and appropriate market data as well as an explanation of why the Director-General considers that there is a need to pay above 50%.
- 6.4 In assessing whether an ARIn should be paid to any employee, the Director-General and Head of Service will give particular consideration to the consequences the granting of the ARIn may have on the Territory's ability to recruit and/or retain executive positions.
- 6.5 The rates of pay component of an ARIn counts as pay for all purposes including superannuation and for the purposes of calculating the rate of pay for annual leave, long service leave, paid personal leave, paid maternity leave, redundancy payments and other paid leave granted under this Agreement. If leave is on reduced pay or without pay, the pay component of the ARIn must be reduced on a pro-rata basis.
- 6.6 Normal incremental advancement will continue to apply in relation to the base rate of pay of the employee.
- 6.7 The pay component of an ARIn is payable by fortnightly instalment.
- 6.8 Notwithstanding paragraph 6.7 the pay component of an ARIn, or part thereof, may be paid as a lump sum subject to the condition that this is agreed in advance and is not directly linked to performance.

6.9 The terms of the ARIn must contain provisions:

- a) setting out the level of the employee's base rate of pay;
- b) setting out the pay component, any other terms and conditions of employment that are to apply under the ARIn, and the total dollar value of the ARIn;
- c) stating that the terms and conditions of the employee will revert to the applicable rates of pay and terms and conditions of employment under this Agreement in the event the ARIn ceases to operate or is terminated; and
- d) containing the terms of this Framework.

7. *Review of Attraction and Retention Incentives*

7.1 The Director-General must review an ARIn at least annually from the date of the signing of the ARIn to determine whether it should continue to operate.

7.2 In addition, the Director-General must also review an ARIn where:

- a) the position is no longer critical to the operation of the Directorate or business unit in the Directorate; or
- b) the employee no longer holds the required specialist qualifications.

7.3 In reviewing the ARIn, the Director-General must consider whether the position and the employee who occupies the position continue to meet the ARIn eligibility criteria. The Director-General must take into consideration relevant market data when reviewing an ARIn.

7.4 The Director-General will consult with the employee party to the ARIn when undertaking a review. In these consultations, the employee may invite a union or other employee representative to assist the employee.

7.5 Subject to paragraph 7.6, if following the conclusion of the review under paragraph 7.1 or 7.2, and the consultation required under paragraph 7.4 the Director-General:

- a) concludes from the review that the position and employee who occupies the position continue to meet the ARIn eligibility criteria, the ARIn will continue to apply to the employee; or
- b) considers that the terms of the ARIn should be varied to reflect relevant changes, the ARIn will be varied accordingly.

7.6 An action under paragraph 7.5 is subject to the Director-General providing a written submission to the Head of Service that the ARIn continue, or be varied.

7.7 If, following the conclusion of the consultation required under paragraph 7.4 the Director-General concludes from the review that the position or the employee who occupies the position do not meet the ARIn eligibility criteria, the ARIn will, subject to paragraph 7.9, cease to operate.

7.8 To avoid doubt, in the case of ARIns for a group of employees, paragraph 7.7 will not affect the ARIns of those employees in the group that continue to meet the ARIn eligibility criteria.

7.9 The Director-General must provide the employee with a minimum of 90 days written notice, or less if agreed by the employee, before the ARIn ceases to operate under paragraph 7.7 or is varied under paragraph 7.5(b).

8. *Salary Sacrifice Arrangements*

- 8.1 Remuneration and conditions provided under an ARIn may be used for the purposes of salary sacrifice arrangements in accordance with the Salary Sacrifice Arrangement provisions of this Agreement. Where an employee salary sacrifices any part of the terms of an ARIn and in accordance with this Framework the ARIn ceases to apply, the employee must notify the salary sacrifice arrangement provider that the terms of the ARIn can no longer be packaged.

9. *Notification*

- 9.1 The Director-General will provide information to the Chief Minister, Treasury and Economic Development Directorate about ARIns approved by the Director-General for employees in the Directorate during the reporting year, for inclusion in the State of the Service Report.
- 9.2 The Chief Minister, Treasury and Economic Development Directorate will provide regular reports to the union(s) on ARIns including details of the number, terms and classifications of all ARIns approved by directorates.

10. *Interpretation*

- 10.1 In this Framework, unless the contrary intention appears:

‘base rate of pay’ in relation to an employee is the rate of pay payable under Annex A of this Agreement for the employee’s classification on the date the ARIn commences, or for a review, on the date that the ARIn is approved or varied following a review.

‘Director-General’ means the person occupying the position of Director-General of the relevant Directorate, or their nominated delegate.

‘Head of Service’ means the person occupying the position of Director-General of the Chief Minister, Treasury and Economic Development Directorate and exercising the powers of the Head of Service.

‘occupant’ means an employee who occupies a position to which an ARIn applies.

‘relevant market data’ includes but is not limited to job sizing assessments, recruitment experience, market surveys and job advertisements. Where a job sizing assessment or market survey is used as relevant market data, the assessment or survey must be undertaken by a remuneration consultant or internal remuneration employee.
