

-  Borehole
-  Borehole with environmental sampling
-  Piezometer location
-  Test pit
-  Test pit with environmental sampling
-  100m radius from project footprint
-  Hydrocarbon
-  Landfill
-  Other
-  Hydrocarbon area
-  Landfill area
-  Other area
-  Preliminary Project impact boundary
-  Maintenance depot layout
-  Proposed road construction works
-  Existing transport corridor
